SC Court of Appeals

Hello my name is Jane Hughes

I'm checking the status on an appeal that was filed for me on April 10th, 2018? I would like for you to check on the progress of it please

Please explain the appeal process to me I am overwhelmed with shock from my trial. The attorney Lauren M. Taylor assigned to my criminal case didn't explain anything about Post Conviction Relief less than a wk before trial or after my sentencing. We did not consult w/ after either.

I would like to discuss w/ appropriate parties details of my case.

I am humbly requesting legal counsel for an appeal. I have two small children which I wish to restore back to. I have suffered a great deal from this catastrophe.

What do I need to do to get proper defense?

Whom do I contact?

Are you able to help me in my appeal case?

Please respond back as soon as you or whom it may concern help me with the resources & justice I request.

Most Humbly Grateful

June Jones
