vs

Respondent

Motion to Suppress
S.C. Code § 17-30-110

SC Court of Appeals

Motion to the Reviewing Authority

Now comes the above captioned appellant who would move for this court to suppress all evidence garnered from an unlawful investigation, by the Investigators in violation of the Wire, Electric, or Oral communications act, pursuant to Title 17, Chapter 30.

To wit, Investigator Shumpert in violation of S.C. Code § 17-30-70 application process, and § 17-30-80 authorizing order, did illegally record and disclose "Sean Echols" in a video recorded statement for a investigation of armed robbery, attempted murder, and burglary, first degree, without processing an application / or a order. Furthermore, co-defendants "Sean Echols", video recorded statement was disclosed at trial without an application being processed in violation of the Wire, Electric, or Oral communications act. Also the Investigators violations in this matter should extend the scope to include but not limited to S.C. Code § 17-30-20 through § 17-30-145. The Investigators also violated Sled Policy 13.30 Use of informants in investigations, by not registering Sean Echols for a violent
(1)

crime investigation.

Furthermore, I was not aware, nor did my attorney make me privy to Title 17, Chapter 30 and /or the exclusive remedy for the violation of this chapter.

In addition due to Investigators Shumpert's breach of proper procedure and /or protocol, as well as illegal actions, any and all evidence produced in this matter by this investigator should be suppressed and excluded from this case.
