1. Can you please supply me with Confrontational Clause Caselaw presiding over South Carolina Court of Appeals / Supreme Court of South Carolina. It would be very helpful if these caselaw be cases that were vacated, remanded, reversed, or yield a more compelling contention.

2. It would also be beneficial to me if you can supply me with caselaw addressing if the state is required as to a tip being made, by a concerned citizen, without that concerned citizen testimony held in court. It would be very beneficial if these caselaw preside over South Carolina Court of Appeals / or Supreme Court South Carolina.

Thank you very much for helping me with these particular matter of concern to me.
