Message:

Pursuant to a recent conversation with your office, I wish to confirm that I ordered and received the official transcript from the Court Reporter regarding the above-captioned case prior to filing our Notice of Appeal.

Accordingly, I understand that I am in compliance and will not be required to file the motion referred to in your letter of July 12, 2018.

Please note that I am providing a courtesy copy to Ely Grote, Esq., who served as counsel for Respondents in the lower-court proceeding, as well as a copy to the SC Office of Court Administration.

Please also note as well that I have provided my residential address in Florida where I am assisting my wife, who had major surgery recently, as well as tending to myself due to recently diagnosed Degenerative Disc Disease.

I would also like to call to your attention that my residential address above is the correct address and deviates slightly from the one in your letter of July 12

Thank you very much for your courtesy and guidance.

Message:

As counsel for the Appellant, Mr. Raymond Wedlake, I am respectfully requesting a 30-day extension of the deadline to file the Initial Brief in the above-captioned appeal.

Such extension is necessary to fully and adequately prepare such Brief.
