Duke Energy Carolinas, LLC

Pursuant to Rule 240, SCACR, appellant Duke Energy Carolinas, LLC (“DEC”) moves for an extension of time in which to serve and file appellant’s Initial Reply Brief and Designation of Matter to be included in the Record on Appeal (“Designation of Matter”). DEC requests an extension of 10 days to file the Initial Reply Brief and Designation of Matter which are currently due July 26, 2018. The deadline for appellant’s Initial Reply Brief and Designation of Matter has been extended once previously.

The grounds for this motion are that other impending professional matters have created a need for additional time to prepare the Initial Reply Brief and Designation of Matter. A 10-day delay will not prejudice the rights of any of the parties. We have notified counsel for the respondent of our intent to file this motion and respondent’s counsel has informed us that they have no objection. Granting this motion would require the Initial Reply Brief and Designation of Matter to be filed with the Court no later than August 6, 2018.

For these reasons, DEC requests an extension of the deadline for filing and serving the Initial Reply Brief and Designation of Matter until August 6, 2018.

Dated this 24th day of July, 2018.
