Re: The State v. Stanley Anthony Dimitroff, II
Appellate Case No. 2018-000501

Dear Ms. Kitchings:

The initial brief of appellant and designation of matter in the above case are due to be served and filed on August 7, 2018. No extensions have been granted. Upon reading the trial transcript, I noticed the parties refer to a pretrial hearing held on the afternoon of Monday, March 12, 2018. While my office requested a transcript of the proceedings that occurred on March 12, 2018, it appears the court reporter only transcribed the morning proceedings. The transcript of the afternoon proceedings on March 12, 2018, where pretrial motions were heard, is essential to this appeal.

We requested this missing transcript today. A copy of the transcript request is enclosed. I respectfully request the Court hold the time limits for filing the initial brief of appellant and designation of matter in abeyance pending receipt of this transcript. If you have any questions or need additional information, please do not hesitate to contact me.

Sincerely,

Lara M. Caudy
Appellate Defender
