

The Supreme Court of South Carolina

Brian Lee Davidson, Petitioner,

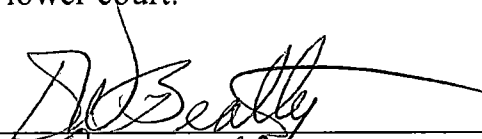

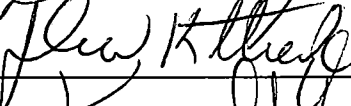

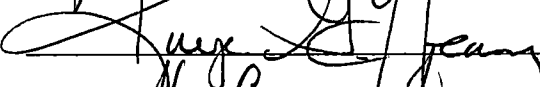

v.

State of South Carolina, Respondent.

Appellate Case No. 2018-000003

ORDER

Petitioner moves this Court to dismiss this appeal and remand the case to the lower court for petitioner to raise additional claims in support of his application for post-conviction relief. Petitioner also moves to file the motion out of time. The State consents to the motion for late filing, but opposes the motion to dismiss and remand. We grant the motion to file out of time. However, we deny the motion to dismiss the appeal and remand to the lower court.
