Re: Phillip Sims v The State Case No. 2012-212295 /
17-DE-L-1113 N.O.A. dated July 2, 2018.

Dear Mr. Shearouse,

I am in the need of copy of the
Notice of Appeal filed July 9, 2018 with 38 Exhibits,
Section I, Section II, Section III, Section IV, and
Section V, to use in PCR # 2018-CP-29-0836
that was filed in Lancaster County July 19, 2018.

District Courts ruling was made resting on PCR
court's findings which where erroneous view of the law
with out all facts, documents, or adequate rebuttle
arguement. Plus the integrity of the Court justify relief
because lower courts adjudicated my case unfairly considering
the Court Calender received June 2017, Matter 17-DE-L-1113,

and other facts unknown until after full review. And I need the arguments in the N.O.A. that way I can ensure all facts are entered with the Court for a fair decision on merits, considering courts judgement is made on an unreliable determinations of facts, attorney misconduct, and other mistakes that if known at the time Court made decisions then no reasonable jurist beyond a reasonable doubt would have denied me relief.

My records show that you forwarded copies to the Office of the Attorney General and Office of the Disciplinary Counsel. I need copies to Amend PCR and make part of.

Thank You for your help,
Phillip Sims # 301566

1 and I heard some argument about the weight, but I'd like
2 to give you you an opportunity to flesh that out.

3 Today is the 28th. Is 15 days enough time? And if
4 you just send -- you can e-mail it to me, and if you need
5 to respond to each other's orders, I'll give you a few +15
6 days to do that. Just give me your own particular
7 position, and like I said primarily on that issue. I
8 think the other issues are fairly clear, and I'm ruling
9 against Mr. Sims on that particular issue related to the
10 mitigating factors.
