IN RE: JO RECALLING THE REMITTUR  
IN CASE 2007-ML 8400M NO  
2007-UP-545 et AL.

TO: THE SC COURT OF APPEALS,  
THE SC ATTORNEY GENERAL,

I just recently sent the court  
a copy of a document (4) pages  
dated MAY 2, 2018 filed for the  
PURPOSE of RECALLING THE REMITTUR.

LOG4

And reinstating case 2007-UP-SUS  
2007 will occur. The document  
was also filed related to case  
2006-000640. This is a collateral  
attack based upon fraud upon the  
court which is free from proce-  
dural limitations such as a motion to  
recall being previously made or  
any time lines specified by rules  
of court that would act as procedural  
limitations. The CD page document  
was sent certified mail with a  
return card for which the court  
has acknowledge receipt. What is  
the status of the SC court of  
appeals reviewing recasting

the Remittitur out of time and beyond the time limit based upon the recent U.S. Supreme Court case Wheeler v Massachusetts for which I am now seeking state Habeas Corpus being filed within 1 year of that Ruling. Please let me know what is the status of the Court Ruling on my previous filings related to recalling the Remittitur in Case 2007-UP-545 Vol 04 00 11. SC Attorney General I am asking you to intervene to prevent any acts of fraud upon the Court and ensure that the Court is processing that pleading for the purpose of recalling the Remittitur in

the 2007 case. It is your fiduciary duty also via your oath of office to uphold the constitution of this state and the federal constitution to act to protect all legally established rights guaranteed by the constitution. please see that the court of appeals act appropriately and serve me with a ruling on the document in questions for case 2007-UP-SUS not just case 2016-000640. Thank you.
