APPELLATE CASE NUMBER: 2017-001311

N. Bobby Knight & Construction Group, LLC,.....Appellants

v.

South Carolina Department of Labor, Licensing and Regulation,
South Carolina Contractor's Licensing Board.....Respondent

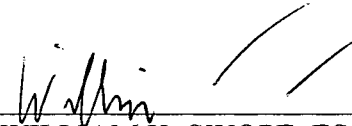

MOTION TO REINSTATE APPEAL

Appellant does hereby move/petition the Honorable South Carolina Court of Appeals for an Order Reinstating this Appeal pursuant to SCACR 260(a). The grounds for this Motion are that inadvertent confusion occurred between Appellant's counsel and the third-party printer/collator of the Supplemental Record on Appeal, regarding pagination of the filing. Upon notification of the defect, Appellant's counsel contacted the Clerk's staff telephonically to determine what was amiss. A substitute Record on Appeal is being submitted simultaneously with this motion. The certificate of service was included as the last page of the Supplemental Record on Appeal, but was not noted as such in the index. Again, this was a miscommunication between Appellant's counsel and the third-party printer/collator of the Supplemental Record on Appeal. As counsel for the Appellant, I accept responsibility for the errors, but believe we have met the standard of "good cause shown".
