SC Court of Appeals

Dear Ms. Johnson,

I am respectfully requesting that you please look over my trial transcript that you prepared. I am placing an objection to the trial transcript that you transcribed because of the many inaccuracies, to include the picking of the jury in this case. The record does not reflect where each juror was selected. Would you please send at your earliest a complete copy of my trial transcript to me of the jury trial that took place in Lawrens County General Sessions Court on October 6, 7, 2015. C. Ranch Wise was the attorney of record. There is no way that I can have a meaningful appellate court review without a complete accurate trial transcript. Your help in this matter will be greatly appreciated. I Timothy Pulley # 253735 certify under the penalty of perjury that the foregoing is true and correct.
