I, Travis A. Mingo
feel as if the Court should
consider vacating my probation
base off the Court error of
revoking 8 years not specifying why
on record and being that the Judge's
Decision was arbitrary and capricious
I was not fairly Judge if the
Court do not consider vacating the
probation violation I ask the Court
to take in consideration to vacate
the imposed sentence of the 8 years
which would over turn ~~to~~ to
the time I had left on probation

Thank you
