?I don't know where that question mark came from, I didn't put it there. I thought you meant you wanted me to contact them.

Yes, that is agreeable for final payment on 9/1/18.

Morning

I am not sure what you mean by the question mark and comment

The court may not understand either. Do we have an agreement that I will make the final payment by September 1, 2018 for the transcript as noted in your letter?
