I have requested from all Adequate Parties involved in this case matter with a Plethora of letters and legal conversations about my Amended PCR Application Titled "Judicial notice of Adjudicated Facts being Included in my Appendix on Record of Appeal for Review and it was determined/granted from this court that it IS done and I have not seen it included. I also do not know who the Attorney General is over this case is currently or how so many changes can happen. I would like to know the status of this case!!!
