Appellant

The appellant Pegasus, LLC of whom, Rhonda Meisner is the single member, and author respectfully requests additional time to receive the transcript. Apparently, Court Administration could not locate or did not receive the original mailed copy of the transcript request that was filed with this Honorable Court. As a result, Court administration never supplied the name of the court reporter or requested the transcript from the Court reporter. I have emailed an additional request to Court administration and the Court reporter and am awaiting the transcript. As such, the appellant respectfully requests additional time, as the court reporter may require, for the court reporter to respond to request for the transcript.
