RE: John Alden Bauer III, Appellant v. Beaufort County School District,
Respondent, Case # 2016-000955. Answer to August 10, Deficiency Letter

Dear Ms. Kitchings and Ms. Allen;

I did not request a Petition for Rehearing as I clearly stated in my letter dated August 2, 2018 and received by the SC Court of Appeals:

"...I will not file a Petition for Rehearing..."

I am simply requesting more information on the decision of the Court's 3 Judges and how it arrived at its conclusion on just 2 issues noted in the letter. The Opinion appears to contradict precedent in the court on identical contentions, as noted in my letter.

I cannot afford to pay additional costs that are implied in a rehearing.

I hope that you will edit the "*Event Information*" and "*Case Status*" categories recorded on the South Carolina Appellant Management Case Information website to reflect that this letter was simply a request for more information.

Sincerely,

John Alden Bauer, III
