Re: Joseph Sun v. Bryan Norberg
Appellate Case No. 2017-002270

Dear Counsel:

On August 10, 2018, the Court issued an order denying your motion to dismiss and granting the appellant's motion to reduce his number of copies, and to file out of time. We are in receipt of the appellant's final brief and the record on appeal. As of today's date, our records reflect that you have not filed the respondents' final brief. Within ten (10) days of the date of this letter, you must serve and file the respondents' final brief, or this appeal will proceed without the consideration of a respondents brief.

Very truly yours,
