Dear Honorable Supreme Court:

A Appeal Bond was filed in the above mentioned case around April, 10 2017 and A plethora of facts, litigation, witness statements and documents supporting exceptional circumstances for granting the appeal bond was lost by attorney and not placed in Appeal Bond. Further more Mr. Williams did not see the states Return/ Witness Statement Against him until the Appeal bond was granted. Trey Williams Respectfully Request that in the "intrest of Justice" he be Able to at the least have the missing information that should have been Included in the Initial Appeal bond filed. This information IS witness statements from Community Political Activist, local community College instructors, family members of Mr. Williams and the victim All In support of Mr. Williams coming home. AS well AS RECORDS Showing Mr. Williams WAS Almost killed and still has A hit on his head for death in prison while waiting on his case on APPEAL and needs Adequate medical attention. Mr. Williams will have A job, be taking College courses, have A place to live and he turned himself in to the police in this case Seeking Justice And has ALWAYS main tained his Innocence in this case that Incontrovertibly showed zero evidence of A crime being Comitted. This case has been A complete miscarriage of Justice... THIS IS A few things that will be demonstrated in the Appeal Bond...
