

STATE OF SOUTH CAROLINA
In The Court of Appeals

Certiorari to York County
Court of Common Pleas

The Honorable Alison R. Lee, Circuit Court Judge

Appellate Case No. 2016-001553

STATE OF SOUTH CAROLINA,

Petitioner,

v.

TREY A. WILLIAMS,

Respondent.

RETURN TO MOTION TO PROCEED *PRO SE*

I was retained by Mr. Williams to represent him for the separate matter of obtaining an appeal bond. I was not retained to represent Mr. Williams for the appeal for the above-referenced matter. This has always been the understanding between Mr. Williams and myself. I am of the opinion and belief that this arrangement is proper, because obtaining a bond is a separate and distinct matter from the above-referenced appeal. Therefore, I have no objection to Mr. Williams' motion to proceed *pro se* on all other matter.

Respectfully submitted,

Darren S. Haley, Esq. (S.C. Bar #: 14564)

Dear South Carolina Court of Appeals:

I am writing this court in relations to

RE: Trey Williams v. State, Appellate Case No. 2016-001553,

I am under the assumption which I'm not sure however it

somewhat appears that this court wrote me a disposition regarding
the letters/motions I sent to the courts dated ~~8-1-2018~~ 8-1-2018

"notice to transfer case to Federal courts and motion to add to

the record on appeal for review". In your reply you stated

zero action will be taken on the prose filings however in *Hyman*

vs. State it says that in PCR, civil proceedings I can address

all matters in getting relief, furthermore I do not have an attorney

representing me in this matter on appeal according to Darren

S. Haley, Esq (S.C. Bar #: 14564) whom is the alleged counsel

of record and I will attach the filed document that Mr. Haley filed

in those regards. I am also waiting to communicate with him on

his assistance in these filings as well as filing for appeal bond the

way it should have been filed initially. I recently contacted this

court asking about the additional appeal bond filing. All the

records in its entirety involving this case that are substantial,

colorable and fundamental in getting victorious outcome in this case

were wrongfully prevented from being in the Appendix/Record on Appeal

including my Amended PCR Application titled "Judicial notice of

Adjudicated Facts. That IS why I filed the motion to the courts explaining the merits, Due Diligence etc in getting a hearing set to determine/allow the Adequate Records to be placed in the Appendix for Review. Lastly, if need be in order for me to Adequately and Sufficiently Seek Justice and be heard with the motions, concerns/Requests in this case I will Respectfully sign the necessary Affidavit from this court that will allow me to go pro se in this case if it is determined that I am not able to be heard at this moment. Mr. Haley who is wrongfully seen as my Counsel Lead on this case knows nothing about my PCR, Direct Appeal, General Sessions and the totality of my case and may not be intending to help. Please help me be heard... W. M. Williams
