RE: Clarence Winfrey v. Archway Services and American Fire & Casualty
Insurance Company c/o Liberty Mutual Group
Date of Accident: May 22, 2013
WCC File No.: 1306305
Our File No.: 2095.13137
Claim No.: 22209963

Dear Ms. Kitchings:

I am in receipt of your letter about possible oral argument dates in December on December 3, 4, 5, or 6. I am scheduled for a trial in Richland County which will run from December 3 through at least December 7. We are expecting it may last beyond that week. It is currently #2 on the trial roster but it is not a day certain trial. The case is titled Donna Angel Lee v. Concrete Supply. At this time, I expect it to go forward with trial that week.

However, if Mr. McDaniel and the Attorney General are available during those dates, I would have no objection to the oral argument being set during those dates as the Respondent's argument will be handled by the Attorney General.

Please let me know if you need any further information.

Very truly yours,

Brett H. Bayne
