Re: LeFevbre v. Blanco GmbH+CO.KG
Appellate Case No.: 2018-000411

Dear Madame Clerk:

I am writing to follow up my letter of August 14, 2018 in the above-referenced matter. Subsequent to that letter, I have unexpectedly heard from the Court Reporter, Ms. Wanda Nelson, who emailed me yesterday, August 20, 2018, indicating that she *had* located the transcript and would be preparing it for me asap. Coincidentally, I saw Ms. Nelson while I was in General Sessions Court yesterday and she told me the same thing in person.

I've enclosed with this letter Ms. Nelson's email chain indicating the status of the transcript, as well as the attachment she sent me. It appears to be a marked-up copy of a court docket. In my letter to Court Administration dated June 18, 2018, I indicated that I did not have any issue at all with any request from Ms. Nelson if she needed additional time to prepare the transcript; that is still my position.

Sincerely,

P John Freeman

Mr. Freeman: The notes and writings on the CP Motions Docket were not made by me. This is how I receive the docket from the Common Pleas Motion Docket upon arriving for court. Very hard to read however.

Ms. Nelson:

Thank you for your response to my request. I looked over your letter, and it incorrectly indicates that the matter was "continued" from January 18, 2018. This is incorrect; Judge Kimball heard my motion that day, and granted summary judgment to the Defendant. That order was later signed, and I commenced an appeal related to it. If your notes indicate that no transcript was prepared, please advise me of that, so that I can let the Court know.

Thank you!
