

The South Carolina Court of Appeals

Mark White, Appellant,

v.

G.L. Williams, Respondent.

Appellate Case No. 2018-001566

ORDER

Appellant has filed several documents, which this court construes as a notice of appeal and an emergency motion to stay execution of a judgment for ejection. It appears Appellant has filed with the circuit court a request to stay execution and an undertaking pursuant to S.C. Code Ann. § 27-40-800 (2007); however, the circuit court has not yet acted on the filings. The motion for an emergency stay is temporarily granted for the circuit court to consider Appellant's filings. Appellant shall provide this court with a status update in thirty days from the date of this order.
