Re: Stephen Dudek v. Thomas Ferro (Morpew)(2)
Appellate Case No. 2017-001393

Dear Ms. Morpew:

Upon review of the appellant's amended final brief, appellant's amended final reply brief, and amended record on appeal, the following corrections need to be completed no later than September 7, 2018, or your appeal will be dismissed:

- All counsel and contact information should be included on the cover of the record on appeal. If you are uncertain who should be included as counsel of record, please use the Court's correspondence as a guide. You may also access this information on our website at www.sccourts.org.
- The cover of the final reply brief should be gray. The Court's deficiency letter did not ask you to change the cover of this brief. It was originally filed with a gray cover. Your amended reply brief now has a blue cover.
- The Court's order of July 18, 2018, requires service of the amended record on appeal. You have not provided proof of service of the amended record on appeal.

Very truly yours,

V. Claire Allen, Deputy

CLERK
