RE: Ronald J. Ferguson vs. Mill Creek, LP
Appellate Case No. 2018-000142

Dear Ms. Kitchings:

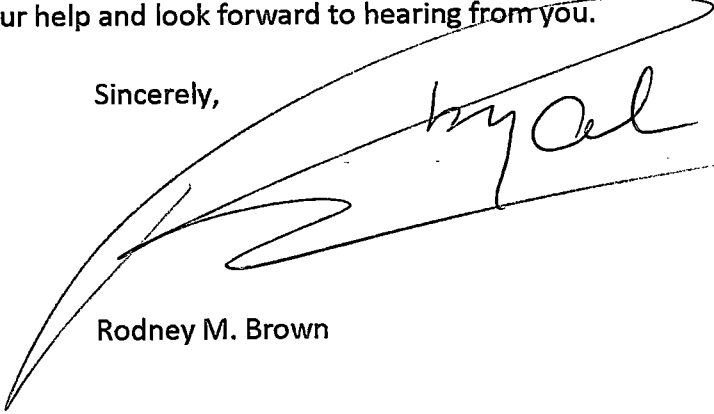

Enclosed herein is the Certificate of Counsel you requested on my Designation of Matters to be Included in the Record on Appeal. Sorry, I forgot about including it.

This brings up an interesting question. The Appellant has numerous documents and transcripts in his Designation of Matters to be Included in the Record on Appeal that are totally irrelevant to the appeal.

Please let me know if the Appellant provided this Certification according to Rule 209(c) and what should be done with regard to all the irrelevant material he has designated.

I appreciate your help and look forward to hearing from you.

Sincerely,

Rodney M. Brown
