Subject: Re: Order regarding Emergency Motion / Mark White v. GL Williams / Appellate Case number 2018-001566

I signed a final order around June 12 2018. I am not aware of any filings or request to hear any motion since my order nor am I aware of any motion to reconsider or stay any ejection. I assume the matter is concluded in the circuit court. If you think I am suppose to do more please advise. DAEarly
