SC Court of Appeals

APPEAL FROM KERSHAW COUNTY

Court of Common Pleas

William H. Seals, Jr. Circuit Court Judge

Civil Action No: 2016-CP-28-00583

Appellant Case No: 2017-002514

James Teal \_\_\_\_\_ Appellant

V.

Edwards Telecommunications, Inc. and  
Leroy Smith, Director of the Dep't of  
Public Safety, Defendants, of which  
Leroy Smith, Director of the Dep't  
of Public Safety is the \_\_\_\_\_ Respondent

RESPONSE TO MOTION TO DISMISS

Appellant is very much concerned with the charges Counsel for Respondent has placed against Appellant. Appellant has been subjected to defending and preparing Appellants case without counsel. Appellant is well aware of the "why" of this matter. Counsel for Respondent has charged Appellant with being callous or unfeeling, creating time wasted and extra expense for counsel.

Appellant is aware of wasted time and expense due to what Appellant has had to endure since 09-11-14. In comparison counsels claim is minuscule to Appellants. Counsels claim of errors and irregularities by Appellant is a case of unknowing by Appellant.

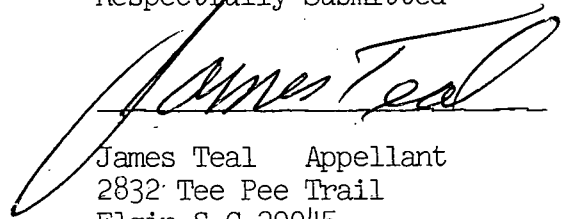

Appellants case is centered on saving lives on the States dangerous highways. The word callous is most fitting for what Appellant has had to suffer with, with all partys, at start, analyzing this most important case, for the people.

With all due respect to the Honorable Court and counsel for Respondant. Appellant is hopeful that Appellants Amended Record on Appeal is correct and Appellants case can proceed and conclude with the Final Brief and the

case being returned to the lower Court for jury trial where this case can and will be unraveled, for Appellant and the safe Sovereignty of the People to prevail.
