**Motion to Reinstate**

I Ameer Akeem Amin is hereby motioning this court to reinstate this appeal case. Due to the fact that the plaintiff was unable to get this case dismissed, they moved to have me evicted from my home with an expired writ of assistance. During this period this court was unable to contact me to notify me that the Record on Appeal document was due within ten days. As a result the case was dismissed.

When I realized that I had not received anything concerning the appeal, I came to the court to inquire about it. This is when I was told that the court attempted to get in contact with me via mail and telephone. The telephone number that they were calling was a landline phone which had no answering service and also the fact that I had already been evicted from my home, not limited to, but including that the post office had stop forwarding my mail due to the fact that the house was vacant. Therefore, based on the reasons stated above, I am asking this court to reinstate this appeal case.
