

MEMORANDUM

RE: First Team Hyundai, LLC v. Greg S. Hackney
Appellate Case No. 2017-002548

It appears that scanning removed the binding from this copy of the respondent's final brief. (The Court had required that he provide at least one, bound copy and a certificate of counsel, which he did.

How would you like for me to bind it so that it meets approval? (I do not believe we have a stapler that will go through it.)

Please advise. Thank you.
