

The South Carolina Court of Appeals

South State Bank, Respondent,

v.

Sand Dollar 31, LLC, and Rhonda Meisner,

of whom Rhonda Meisner is Appellant.

Appellate Case No. 2018-000251

ORDER

This court construes Appellant's "notice of appeal" filing as (1) a request to amend her notice of appeal to include the master's order lifting the automatic stay and the order denying her motion for reconsideration and (2) a request to summarily rule on the master's orders. After careful consideration, the request to amend the notice of appeal is granted. The request to issue a summary ruling on the merits of the orders is denied. All issues raised in Appellant's brief will be decided after the briefing process is complete.
