Re: State of South Carolina v. Tyrone Lorenza Robinson
Appellate Case No. 2017-002233

Dear Ms. Kitchings:

The initial brief of appellant and designation of matter in the above case is due to be served and filed on September 7, 2018. However, I have discovered that we need an additional transcript. In working on the case, it appears that motions were heard by Judge Cooper on the afternoon after jury selection, but the hearings do not appear in the transcript we have. The transcript resumes after jury selection with Judge Cooper's rulings, which indicate testimony and argument the day before. We have requested this transcript today and would request that the time limits be held in abeyance pending receipt of it. A copy of our transcript request is attached. If you have any questions or need additional information, please do not hesitate to contact me.

Sincerely,

David Alexander
Appellate Defender
