NOW COMES Appellant, Nicholas J. McIver, by and through counsel of record, William G. Yarborough III and Lauren C. Hobbis, and would respectfully move this Honorable Court to extend the time to file and serve Appellant's initial brief and designation of matter by thirty (30) days.

Appellant's initial brief and designation of matter are due to be filed with the Court and served upon the Respondent today, August 30, 2018. This request is made in light of Counsel's heavy caseload, the long length of the trial transcript and the need to gather and renew trial exhibits.

Counsel contacted representative for the Respondent, Assistant Attorney General Melody Brown, for her position on this extension request on August 29, 2018. Ms. Brown relayed that she has no objection to this motion for an extension of time.

Counsel submits that an extension would ensure sufficient preparation of the initial brief and designation of matter. Counsel makes this request in the ends of justice and the ability to perfect the Appellant's appeal as his advocate.

WHEREFORE, the Appellant respectfully moves this Honorable Court to extend the time to file and serve Appellant's initial brief and designation of matter by thirty (30) days.

Respectfully submitted,

WILLIAM G. YARBOROUGH III, ESQ.
