RE: Trey Williams v. State  
Appellate Case No.: 2016-001553

**S.C. SUPREME COURT**

I am again asserting my due diligence in getting my Amended PCR Application that was Ruled on by PCR Judge and properly filed for PCR proceedings to be Added to the Appendix/ Record on Appeal which was granted by this court. If I do still have Mr. Darren S. Haley Esquire as Counsel of Record It is A complete mis carriage of Justice and in opposition/ Conflict with the intrest of Justice As Counsel has clearly motioned to the court that he only Representing me for An Appeal Bond even though he Led me to believe he would Be my counsel on VARIOUS occasions however he has Refused to Remove himself from my case while stealing money and this IS violation my protected Rights "speech and press" because It IS preventing me from being heard Adequately from court Agencies And filling motions, documents, Federal constitutional ground 1st Amendment State constitutional Ground Article 1, Section 2, Due process 5th And 14th Amendments, Assistance of counsel, 6th Amendment, Right to present A Defense, 6th And 14th Amendment, cruel And unusual punishment, 8th Amendment And equal protection, 14th Amendment. These Rights Are Being violated And I have Records, documents And motions that need Be filed in the courts Added to the Record on APPEAL with corrections made...
