Subject: Christopher L. Hampton v. State; App. Case No. 2017-002374

Please be advised that I will be holding court in Spartanburg County on October 15, 2018. It is my intention to hold any necessary hearings in this matter during that week of court when a court reporter should be available to me. In order that we make our hearing time productive during that week, perhaps a status conference would be helpful. I will be willing to request that a conference room be made available to us at the Spartanburg Court House at a convenient date and time, should you agree that a status conference would be helpful. Please let me know by this Friday if you do want to court to schedule such a conference, and please advise the court of any dates or times prior to the week of the 15th that you would not be available.

I am copying Mr. Shearouse to advise the court of our intentions in this matter.

Thanks you, Roger L. Couch
