

# The South Carolina Court of Appeals

Frenchis Abraham, #296575, Appellant,

v.

South Carolina Department of Corrections, Respondent.

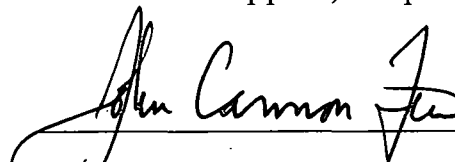

Appellate Case No. 2011-188466

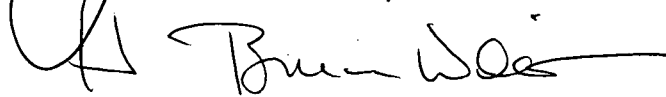

---

## ORDER

---

This appeal was dismissed due to Appellant's failure to provide proof that he served the Record on Appeal. Appellant subsequently filed a petition for rehearing. On July 18, 2012, this Court issued an order allowing Appellant an additional thirty days to prepare and serve the Record on Appeal and stating that Appellant's petition for rehearing would be considered upon receipt of Appellant's proof of service for the Record on Appeal or within thirty days. In August 2012, Appellant filed a letter, explaining he is unable to comply with the Court's order. Appellant requests that this Court provide him "with copies of the complete case file" and appoint counsel. We construe all of Appellant's filings together as a petition for rehearing. Furthermore, because Appellant has failed to cure the deficiency that resulted in the dismissal of his appeal, the petition is denied.
