RE: Ryan Lee Zater v State of South Carolina  
Appellate Case No. 2018-000611  
Lower Court Case No. 2015-CP-32-02363

Dear Clerk,

Currently pending before your Court is my appeal from the Eleventh Judicial Circuit Court of Common Pleas. The original judgment being appealed was entered on 26 February 2018.

Yet, after filing my notice of appeal and currently pending Motion to this Court, the lower court issued a subsequent Order in the same matter on 11 September 2018, which I just received in the mail yesterday. Due to my being confined in the Federal prison system, I am not privy to State procedure, so I immediately filed another notice of appeal for that order as well.

I am writing this letter both to inform you of the lower court's new order and to ask you to consolidate the two under the currently pending appeal, as the motion I filed with this Court adequately covers both orders/judgments.

I thank you for your time and assistance in this matter, and I look forward to your response.

Sincerely,
