RE: Khamnei v. Columbus Street Holdings LLC
Appellate Case No. 2018-000249

Dear Sir or Madam:

Today I spoke with Shelby S. in regards to the above-referenced case having been dismissed for my failure to timely respond to a transcript request from the Court. As I explained to Shelby, the Court has been sending communications to me to a wrong address and I have either not been receiving them or receipt has been delayed causing my to miss deadlines.

Shelby advised me that the letter I sent to the Court dated August 23rd and received September 4th could be converted to a Motion to Reopen the appeal if I provided the \$25 filing fee and proof of service.

Please find enclosed the \$25 filing fee and a Certificate of Service. Please construe my Letter to the Court, dated Aug. 23, 2018 as a Motion to Reopen the appeal.

Thank you for your assistance.

Sincerely,

Chris Khamnei

RE: Khamnei v. Columbus Street Holdings LLC
Appellate Case No. 2018-000249

Dear Sir or Madam:

In response to the enclosed letter from the Court of Appeals regarding the status of the transcript, please see the enclosed email chain between Appellant and the Court Reporter.

It appears there was lack of communication between Appellant's attorney, Appellant, and the Court Reporter which resulted in the transcripts having been ordered by Appellant's attorney before he withdrew, but once Appellant was pro se, he was unaware the transcripts had already been ordered and were being withheld for payment.

Appellant has sent the required payment to the Court Reporter and the transcripts should be sent and filed soon.

Please also be advised that the Court of Appeals sent it's letter to Appellant to the wrong address. Appellant's correct address is:

Chris Khamnei
82 Overlake Park
Burlington, VT 05401
Email: chris@rentinvt.com
Telephone: 802-777-6007

Thank you for your assistance.

Sincerely,

Chris Khamnei
