RE: Access to Courts; 2018-000918, 2018-001505, et al.

Dear Clerk of Court:

I have pending actions to bring to your court but cannot access the prisons Law Library to do so because of the Wardens Lockdown policy. I have submitted request to staff requesting relief. Its language reads as follows:

"Warden Joyner:

I am being denied access to Law Library since your F2A lockdown policy beginning August 25, 2018. I have pending deadlines with courts. Your actions not permitting my access to Law Library over eleven (11) continuous days is unreasonable, unconstitutional, and illegal. Please provide relief immediately. Second (2nd) notice."

Please take into consideration any time related issues involving my papers pertinent these matters.

Additionally, this is the third (3rd) affirmative action by SCDC personnel unreasonably preventing my access to the courts, particularly the Law Library, regarding at least one of my pending cases.

Sincerely,

  
ROBERT WILLIAM WAZNEY
