S.C. SUPREME COURT

I am a inmate at McCoenick Correctional

Facility. I wrote my attorney on this matter, that if he still was my attorney, he filed a Johnson petition. But I filed with this court a writ of certiorari back in Dec. 2017. I went to lock-up and some of my belongings didnt make it with me. I needed a copy of my ~~certiorari~~ certiorari so that I can work on my Federal Habeas Corpus. One other thing, could you tell me the exact time left that I have to file my Habeas Corpus. Thank you for your time and patience.

One other thing could you tell me if Matthew W. Stealy, Esquire of the Sparta Public Defenders office was qualified in the year of 2012 to try a case of Murder on his own?
