## ORDER

---

On September 5, 2018, this court denied counsel's motion to withdraw from representation pursuant to *Johnson v. State*, 294 S.C. 310, 364 S.E.2d 210 (1988), and ordered re-petitioning on an additional allegation of ineffective assistance of trial counsel. Petitioner subsequently moved for the appointment of new counsel. After careful consideration, the motion is denied.<sup>1</sup> See *Richardson v. State*, 377 S.C. 103, 106, 659 S.E.2d 493, 495 (2008) (stating "a PCR applicant is not entitled to appointed counsel of choice"). Petitioner's counsel has also filed a motion for an extension of time in which to file the ordered petition. This motion is granted. Petitioner's counsel shall serve and file the petition within thirty days of this order.
