

Re: Case No: 2012-212444

19 November 2012

To: Ms. Jenny Kitchings

As requested by the South Carolina Court of Appeals, I submitted a written explanation showing that there are issues which can be reviewed on appeal. I first mailed this explanation on 29 October 2012. On 1 November 2012, I mailed an amended version of my explanation, well in advance of the deadline that was given to me.

Please let me know the status of my appeal. Your response should be mailed to:
