RE: David Lee Meggett v. State; App. Case No.: 2018-000065

Dear Sir:

Today, I set aside a large portion of my day to review the State's Return in the above referenced PCR appeal and to determine if a Reply was needed prior to the expiration of the ten day limit later this week. Upon review, I discovered that both copies of the Return that I received via mail have page 22 omitted. Therefore, I cannot properly review and/or prepare a Reply. I would kindly ask that the State be directed to correct this error and that my time to reply begin to run after I am properly served with a complete Return.

Please contact me if any additional information is needed. I appreciate your assistance with this matter.

Yours truly,

Tricia A. Blanchette
