RE: Trey Williams V. State
Appellate Case No. 2016-001553

Dear Clerk of Court in the Court of Appeals, I received a letter from the court that is dated 9-20-2018 in which it confirmed having my various Relief of Counsel motions currently under review. My concern is I have not received any copy of a reply from Counsel of Record nor the State in this matter so I can refute and correct any false information... I also need my motions and content of evidence supporting grounds to be read entirely and I have the clear documentation that shows that Counsel of Record is not representing me in this case, it is clear upon the face of the record from the counsel himself!!!
