Clerk of Court, South Carolina Court of Appeals

RE: State of South Carolina v. Steven Nelson
Appellate Case No. 2018-000979

Dear Ms. Kitchings:

On August 13, 2018 the State filed its Motion To Dismiss Appeal Or In Alternative Require Appellant To Order Transcript Of Circuit Court Proceedings. That motion is still pending before the Court. However, due to an error, we failed to cancel our own request for the transcript from the court reporter. Today we received an emailed version of the transcript and an invoice for an original transcript. The court reporter said the signature page for the transcript would be coming by regular mail.

Because I now have this transcript, I can proceed with my brief pending the Court's ruling on the State's Motion to Dismiss, though the attorney for the Appellant has still not complied with the requirements of Rule 207(a)(1), SCACR, nor has he filed a return to the State's motion.

Sincerely,

David Spencer
Senior Assistant Attorney General
