CLERK OF COURT

2017 JAN -4 A 11: 59

LYNN W. LANCASTER

We, the plaintiffs in this civil action do make the following claims:

That the city responded to what they described as a "911 hangup from a verizon (9116436081) number, with GPS placing the call at 200 Mock Street"

"Approximately 1 sic after being on the scene Before making contact with 200 mock street, Sgt. Gainey and PTL Kanipe heard a gunshot in the immediate area" The county claims that they were there in support of the city. We believe that 206B was entered and searched without cause and unlawfully when no other places were entered on the report, which caused tremendous trauma to Malcolm DJ Watts and Mosi A. Bundu. No one on mock street said a gunshot was heard or fired, not at 200 mock street or to the left or right of 206B mock street.

We, believe that the defendants are residents / work in Laurens county which is in the jurisdiction of this county and makes this complaint properly filed in Laurens County.

We, make the complaint on the following that it no other residence was surrounded and entered unlawfully. At the time Mosi A, Bundu had a civil suit against the county which may have been motivation for singling 206B out.

L

We believe that, because of the above information and a settled case where officers entered a school based on an assumption of drugs with guns and dogs unlawfully searching and traumatizing students, that we are entitled to request a judgment of 750,000 and punitive damages. Including any cost relating to this action.

We, state under penalty of perjury that the above is correct and truthful. Except, those based on our information and belief.

SC Court of Appeals

DESIGNATION OF MATTER TO BE INCLUDED IN THE RECORD ON APPEAL

The assertion or designation of matter in this case 2017-001831 is that the plaintiffs did send a summons which was combined with the complaint. As the assistant clerk indicated, "the attorneys of record must have concluded they were summoned, because they, answered. Plaintiffs typed the filing as "summons and complaint" it had all the information regarding the defendants and the nature of the summons and complaint. The case was not dismissed with prejudice at the circuit court level. It simply state in the reason for dismissal was there was no summons, which the plaintiffs disagree with. On the front of the dismissal rule 16 (b) was check but not indicated as a reason for dismissal.

As noted in the legal literature the use of 16 (b) has been over used in stopping due process. The stenographer did not send both transcripts even though the plaintiffs request them. Judge Addy granted a rehearing and did not say anything about the summons in the second hearing, he noted or suggested that the plaintiffs should get an attorney and 16 9b0 was still checked, at that second hearing plaintiffs did maintain that the defendants were properly served by the US postal service with help from one of the postal workers.

All green cards were returned except one who Mr. Socrates Ledda said was intercepted by the deputies supervisor. However the postal service did give the plaintiffs a paper sheet showing the supervisors signature. Those green cards and proof of delivery were taken in as exhibits by the court of common pleas. It can be shown that they plaintiffs requested all transcripts. Beyond where the plaintiffs missed the first hearing due to illness and was granted a new hearing. Plaintiffs do not know if this was intentional or an oversight or misconduct. This designation of matter does not contain anything the plaintiffs believe that is not relevant to the appeal. The clerks kept the plaintiffs brief and sent back a (copy) of the transcript the plaintiffs, were able to obtain. The matter before the court of appeals as presented in the court of common pleas is that the police used unnecessary force, entered the plaintiffs residence without a warrant and there was unequal justice under the law as the plaintiffs neighbor was told "to go back into their apartment. No other homes listed on the police report indicated that the police entered the persons they contacted, homes.

Addendum to Initial brief/ designation of matter
For Record of appeal

The case we are dealing with was not a trial or at a point where evidence and discovery or witness list were presented. It was about whether the case would move forward and the plaintiffs would get due process. The attorneys of record indicated that they were not receive a summons, yet they answered. This was mentioned in my initial brief, noted that a clerk asked, why did they answer? I am including an amended answer, in hopes that we can agree they answered. These are seasoned attorneys. Thus they felt they had received a summons or they just were stringing the case and clients out for additional billing work. I am including an example of an amended answer to support what I contend. It is in the record of the lower court. I did not receive my transcript for which we were there, thus we cannot refer to it. I have filed a misconduct claim with the court administrator, showing that I discussed the second hearing and cost. I believe it was malicious because both attorneys for the city and county received transcripts for august 1, 2017.
