 - (iv) for mistake in advertised price;
- (b) to any obligation for which the insured or any carrier as his insurer may be held liable under any workmen's compensation, unemployment, compensation or disability benefits law, or under any similar law, provided however, that this exclusion does not apply to liability of others assumed by the Named Insured under any contract or agreement;
- (c) to claims made against the insured:
 - (i) for damage to the Named Insured's products arising out of such products or any part of such products;
 - (ii) for property damage to work performed by or on behalf of the Named Insured arising out of the work or any portion thereof, or out of materials, parts or equipment furnished in connection therewith;

a part, if such products, work or property are withdrawn from the market or from use because of any known or suspected defect or deficiency therein;

- (iv) for improper or inadequate performance, design or specification, but nothing herein contained shall be construed to exclude claims made against the insured for personal injuries or property damage (other than property damage to a product of the insured) resulting from improper or inadequate performance, design or specification;
- (d) to any employee with respect to personal injury to or death of another employee of the same employer injured in the course of such employment;
- (e) to liability arising out of the ownership, maintenance, operation, use, loading or unloading of any aircraft or watercraft owned by any insured or leased by any insured for a period of more than thirty consecutive days; provided however, this exclusion shall not apply to liability of the Named Insured for any other non-owned aircraft or watercraft;
- (f) to any liability of the insured due to war, invasion, acts of foreign enemies, hostilities (whether war be declared or not), civil war, rebellion, revolution, insurrection, military or usurped power or confiscation or nationalization or requisition or destruction of or damage to property by or under the order of any government or public or local authority;

CONDITIONS

1. **Premium** The premium for this policy shall be as stated in the Declaration Page.
2. **Additions** In the event of additional insureds or additional coverages being added to the coverage under the Underlying Insurance, while this policy is in force prompt notice shall be given to the Company and the Company shall be entitled to charge appropriate additional premiums thereon.
3. **Inspection and Audit** The Company shall be permitted but not obligated to inspect the Named Insured's property and operations at any time. Neither the Company's right to make inspections nor the making thereof nor any report thereon shall constitute an undertaking, on behalf of or for the benefit of the Named Insured or others, to determine or warrant that such property or operations are safe.

The Company may examine and audit the Named Insured's books and records at any time during the policy period and extensions thereof and within three years after the final termination of this policy, as far as they relate to the subject matter of this insurance.

4. **Special Conditions Applicable to Occupational Disease** As regards personal injury (fatal or non-fatal) by Occupational Disease sustained by any employee of the insured, this policy is subject to the same warranties, terms or conditions (except as regards the premium, the amount and limits of liability, any condition respecting "other insurance" and the renewal agreement, if any) as are contained in or as may be added to the policies of Underlying Insurance set forth in the Declarations prior to the happening of an occurrence for which claim is made hereunder.

5. **Limitation of Liability** The company shall only be liable for ultimate net loss in excess of either:

- (a) except as provided in sub-paragraph (b) hereof, the applicable limits of liability of the policies of underlying insurance set forth in Item 3 of the Declarations; or

- (b) as respects each occurrence not covered by such underlying insurance, or where each occurrence is covered by such underlying insurance but in recoverable amounts less than the Underlying Limits set forth in Item 4 of the Declarations, the amount of ultimate net loss set forth in the Declarations as "Underlying Limits".

but in no event shall the company be liable for an amount in excess of the applicable limit of liability set forth in Item 5 of the Declarations.

The limit of liability stated in Item 5 of the Declarations as applicable to "each occurrence" is the total limit of the company's liability under this policy for ultimate net loss as a result of any one occurrence.

Subject to the limit of liability set forth in Item 5 of the Declarations with respect to "each occurrence", the limit of liability so set forth as "aggregate" shall be the total limit of the company's liability under this policy for ultimate net loss:

- (1) because of all personal injury and property damage during

each consecutive twelve months of the policy period, arising out of the Products-Completed Operations Hazards, and

- (2) because of all personal injury during each consecutive twelve months of the policy period sustained from Occupational Disease by any employee of the insured.

In the event of reduction or exhaustion of the aggregate limits of liability under the policies of underlying insurance by reason of losses paid thereunder, this policy shall:

- (i) in the event of reduction, pay the excess of the reduced underlying insurance; and
- (ii) in the event of exhaustion, continue in force as underlying insurance.

but nothing in this paragraph shall operate to increase the limits of the company's liability.

6. **Severability of Interest** The term "the insured" is used severally and not collectively, but the inclusion herein of more than one insured shall not operate to increase the limits of the company's liability. If more than one insured is named in Item 1 of the Declarations, it is agreed that the limits of the company's liability shall not apply separately to each such insured.

7. **Notice of Occurrence** When an occurrence takes place which, in the opinion of the insured, involves or may involve liability on the part of the company, prompt written notice shall be given by or on behalf of the insured to Cravena, Dargatz & Company Special Risks and/or American Adjustment Company, P. O. Box 1660, Houston, Texas 77001. Such notice shall contain particulars sufficient to identify the insured and also reasonably obtainable information respecting the time, place and circumstances of the occurrence. Failure to so notify the company of any occurrence which at the time of its happening did not appear to involve this policy but which, at a later date, would appear to give rise to a claim hereunder shall not prejudice such claim provided such notice is then given.

8. **Assistance and Cooperation** The company shall not be called upon to assume charge of the settlement or defense of any claim made, suit brought or proceeding instituted against the insured but the company shall have the right and shall be given the opportunity to associate with the insured or the insured's underlying insurers, or both, in the defense and control of any claim, suit or proceeding relative to an occurrence where, in the judgment of the company, the claim or suit involves or appears reasonably likely to result in liability for indemnity by the company under this policy, in which event the insured, any underlying insurers involved, and the company, shall cooperate in all things in the defense of such claim or suit.

With respect to any claim made, suit brought or proceeding instituted against the insured to which the policies or underlying insurance set forth in Item 3 of the Declarations will not apply be-

cause of the exhaustion of the aggregate limits of liability thereunder, if such claim, suit or proceeding is one which could result in liability of the Company to indemnify the Insured hereunder for damages, the Company may assume complete control of the investigation, negotiations, settlement and defense of any such claim, suit or proceeding against the Insured. The Insured shall cooperate with the Company and, upon the Company's request, attend hearings and trials and assist in making settlements, securing and giving evidence, obtaining the attendance of witnesses and in the conduct of any legal proceedings in connection with the subject matter of this insurance. The Insured shall not, except at his own cost, voluntarily make any payment, assume any obligation or incur any expense other than for such immediate medical and surgical relief to others as shall be imperative at the time of the occurrence.

- 9 Terms of Policy Conformed to Statute Terms of this policy which are in conflict with the statutes of the State wherein this policy is issued are hereby amended to conform to such statutes.
- 10 Appeals In the event the Insured or the Insured's underlying insurer(s) elect not to appeal a judgment in excess of the underlying limits, the company may elect to make such appeal at its own cost and expense, and shall be liable for the taxable costs, disbursements and interest on judgments incidental thereto, but in no event shall the liability of the company for ultimate net loss exceed the limit of its liability stated in this policy and, in addition, the cost and expense of such appeal.
- 11 Loss Payable Liability under this policy with respect to any occurrence shall not attach unless and until the Insured, or the Insured's underlying insurer, shall have paid the amount of the underlying limits on account of such occurrence. The Insured shall make a definite claim for any loss for which the company may be liable under the policy within twelve (12) months after the Insured shall have paid an amount of ultimate net loss in excess of the amount borne by the Insured or after the Insured's liability shall have been fixed and rendered certain either by final judgment against the Insured after actual trial or by written agreement of the Insured, the claimant and the company. If any subsequent payments shall be made by the Insured on account of the same occurrence, additional claims shall be made similarly from time to time. Such losses shall be due and payable within thirty days after they are respectively claimed and proven in conformity with this policy.
- 12 Other Insurance If any other valid and collectible insurance exists protecting the Insured against ultimate net loss covered by this policy (other than the policies of underlying insurance specified in Item 3 of the Declarations and other than any policy with respect to which this policy is specified therein as underlying insurance), this policy shall be null and void with respect to such loss whether the Insured is specifically named in such other policy of insurance or not; provided, however, if the amounts recoverable by the Insured under such other insurance are not sufficient to completely protect the Insured against such loss, this policy shall apply but only as excess insurance over such other valid and collectible insurance, in an amount not to exceed the limit of the company's liability stated in this policy, and not as contributing insurance.
- 13 Subrogation Inasmuch as this policy is excess coverage, the Insured's right of recovery against any person, firm or corporation cannot be exclusively subrogated to the company; therefore, in case of any payment hereunder, the company will act in concert with all other interests, including the Insured, concerned in the exercise of such rights of recovery. The apportioning of any

amounts which may be so recovered shall follow the principle that any interests, including the Insured, that shall have paid an amount over and above any payment hereunder, shall first be reimbursed up to the amount paid by them; the company is then to be reimbursed out of any balance then remaining up to the amount paid hereunder; lastly, the interests, including the Insured, of which this coverage is in excess are entitled to claim the residue, if any. Expenses necessary to the recovery of any such amounts shall be apportioned between the interests, including the Insured, concerned, in the ratio of their respective recoveries as finally settled.

Changes: Notice to or knowledge possessed by any person shall not effect a waiver or a change in any part of this policy or stop the company from asserting any rights under the terms of this policy; nor shall the terms of this policy be waived or changed except by endorsement issued to form a part of this policy.

Assignment: Assignment of interest under this policy shall not bind the company until its consent is endorsed hereon.

Cancellation: This policy may be cancelled at any time by the Insured first named in Item 1 of the Declarations by mailing to the company or any of its authorized representatives, written notice stating when thereafter such cancellation shall become effective. This policy may be cancelled by the company by mailing to the Insured first named in Item 1 of the Declarations, at the address shown in the Declarations, written notice stating when, either not less than 30 days thereafter or the maximum cancellation notice period stated in the policies of underlying insurance set forth in the Declarations, whichever is lesser, such cancellation shall be effective. The mailing of notice as aforesaid shall be sufficient proof of notice. The effective date and hour stated in such notice shall become the end of the policy period. Delivery of such written notice either by such Insured or the company shall be equivalent to mailing. If such Insured cancels, earned premium shall be computed in accordance with the customary short rate table and procedure. If the company cancels, earned premium shall be computed pro rata. Premium adjustment may be made either at the time cancellation is effected or as soon as practicable after cancellation becomes effective, but payment or tender of unearned premium is not a condition of cancellation.

Maintenance of Underlying Insurance: The policy or policies set forth in the Declarations as Underlying Insurance shall be maintained in full effect during the period this policy remains in force except for any reduction of the aggregate limits contained therein solely by payment of claims for occurrences which take place during this policy period. Failure of the Insured to comply with the foregoing shall not invalidate this policy but in the event of such failure, the company shall only be liable to the same extent as it would have been if the Insured had complied with this condition.

Service of Suit: Pursuant to any statute of any state, territory or district of the United States which makes provision therefor, the company hereby designates the Commissioner, Superintendent or Director of Insurance or other officer specified for that purpose in the statute, and his successor or successors in office, as its true and lawful attorney upon whom may be served any lawful process in any action, suit or proceeding instituted in any Court of competent jurisdiction by or on behalf of the Insured or any beneficiary hereunder arising out of this contract of insurance, and hereby designates Cigna, Dargatz & Company Special Risk and/or American Adjustment Company, P. O. Box 1660, Houston, Texas 77001 as the companies to whom said officer is authorized to mail such process or a true copy thereof.

In witness whereof, the Company indicated ☒ on the Declarations page, has caused this policy to be signed by its president and secretary at Dallas, Texas, and countersigned on the declaration page by a duly authorized agent of the company.

"Operations" include materials, parts or equipment furnished in connection therewith. Operations shall be deemed completed at the earliest of the following times:

- (1) when all operations to be performed by or on behalf of the Named Insured under the contract have been completed,
- (2) when all operations to be performed by or on behalf of the Named Insured at the site of the operations have been completed, or

- (3) when the portion of the work of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or sub-contractor engaged in performing operations for a principal as a part of the same project.

Operations which may require further service or maintenance work, or correction, repair or replacement because of any defect or deficiency, but which are otherwise complete, shall be deemed completed.

The completed operations hazard does not include personal injury or property damage arising out of:

- (a) operations in connection with the transportation of property, unless the personal injury or property damage arises out of a condition in or on a vehicle created by the loading or unloading thereof,
- (b) the existence of tools, uninstalled equipment or abandoned or unused materials, or

10. Occurrence

The term "occurrence" shall mean (a) an accident, or (b) an event, or continuous or repeated exposure to conditions, which results during the policy period, in personal injury, property damage, or advertising liability (either alone or in combination) neither expected nor intended from the standpoint of the insured. With respect to Coverages I (a) and I (b), except with respect to the Products-Completed Operations Hazards, all personal injury and property damage (either alone or in combination) arising out of one event or continuous or repeated exposure to substantially the same general conditions existing at or emanating from one premises location shall be deemed to be one occurrence. With respect to Coverages I (a) and I (b), all personal injury and property damage (either alone or in combination) arising out of the Products-Completed Operations Hazards shall be deemed to be one occurrence if arising out of one lot of goods or products prepared or acquired by the Named Insured or others trading under his name. With respect to Coverage I (c), all personal injury and property damage (either alone or in combination) involving the same injurious material or act, regardless of the frequency or repetition thereof, the number or kind of media used, and the number of claimants, shall be deemed to arise out of one occurrence.

III. POLICY PERIOD - TERRITORY This policy applies to personal injury, property damage or advertising liability which occurs anywhere during the policy period.

AUTOMATIC COVERAGE-NEWLY ACQUIRED ORGANIZATIONS (90 DAYS)

The word insured shall include as named insured any organization which is acquired or formed by the named insured and over which the named insured maintains ownership or majority interest, other than a joint venture, provided this insurance does not apply to bodily injury, property damage, personal injury or advertising injury with respect to which such new organization under this policy is also an insured under any other similar liability or indemnity policy or would be an insured under any such policy but for exhaustion of its limits of liability. Umbrella Policy No. CDU 6578

Dear Bill:

I am enclosing Endorsement No. 25 to policy no. CDU 6578 which amends the limit of liability for employers' liability in the underlying schedule of insurance to \$5,000,000.

When the policy was originally issued, the employers' liability showed a limit of \$100,000 each accident as provided by National Union. However, the correct limit is, in fact, \$5,000,000 and for this reason, Endorsement No. 25 has been issued.

This is the only mistake that I was able to find on the policy and ask that if you would please notify me of any that you might have found.

Sincerely,

Douglas R. Payne

EXCLUSIONS

This policy does not apply, except insofar as coverage is available to the insured under the underlying policies of insurance set forth in the Declarations:

- (a) with respect to advertising liability, to claims made against the insured:
 - (i) for failure of performance of contract, but this shall not relate to claims for unauthorized appropriation of ideas based upon alleged breach of implied contract;
 - (ii) for infringement of registered trade-mark, service mark or trade-name by use thereof as the registered trade-mark, service mark or trade-name of goods or services sold, offered for sale or advertised, but this shall not relate to titles or slogans;
 - (iii) for incorrect description of any article or commodity;
 - (iv) for mistake in advertised price;
- (b) to any obligation for which the insured or any carrier as his insurer may be held liable under any workmen's compensation, unemployment, compensation or disability benefits law, or under any similar law, provided however, that this exclusion does not apply to liability of others assumed by the Named Insured under any contract or agreement;
- (c) to claims made against the insured:
 - (i) for damage to the Named Insured's products arising out of such products or any part of such products;
 - (ii) for property damage to work performed by or on behalf of the Named Insured arising out of the work or any portion thereof, or out of materials, parts or equipment furnished in connection therewith;
 - (iii) for damages for the withdrawal, inspection, repair, replacement, or loss of use of the Named Insured's products or work completed by or for the Named Insured or of any property of which such products or work form

- a part, if such products, work or property are withdrawn from the market or from use because of any known or suspected defect or deficiency therein;
- (iv) for improper or inadequate performance, design or specification, but nothing herein contained shall be construed to exclude claims made against the insured for personal injuries or property damage (other than property damage to a product of the insured) resulting from improper or inadequate performance, design or specification;
- (d) to any employee with respect to personal injury to or death of another employee of the same employer injured in the course of such employment;
- (e) to liability arising out of the ownership, maintenance, operation, use, loading or unloading of any aircraft or watercraft owned by any insured or leased by any insured for a period of more than thirty consecutive days; provided however, this exclusion shall not apply to liability of the Named Insured for any other non-owned aircraft or watercraft;
- (f) to any liability of the insured due to war, invasion, acts of foreign enemies, hostilities (whether war be declared or not), civil war, rebellion, revolution, insurrection, military or usurped power or confiscation or nationalization or requisition or destruction of or damage to property by or under the order of any government or public or local authority;
- (g) to injury to or destruction of property owned by any Named Insured;
- (h) to liability of any insured hereunder for assault and battery committed by or at the direction of such insured except liability for personal injury or death resulting from any act alleged to be assault and battery committed for the purpose of preventing personal injury or property damage.

CONDITIONS

- 1 Premium The premium for this policy shall be as stated in the Declaration Page.
- 2 Additions In the event of additional insureds or additional coverages being added to the coverage under the Underlying Insurance while this policy is in force prompt notice shall be given to the Company and the Company shall be entitled to charge appropriate additional premiums thereon.
- 3 Inspection and Audit The Company shall be permitted but not obligated to inspect the Named Insured's property and operations at any time. Neither the Company's right to make inspections nor the making thereof nor any report thereon shall constitute an undertaking, on behalf of or for the benefit of the Named Insured or others, to determine or warrant that such property or operations are safe.

The Company may examine and audit the Named Insured's books and records at any time during the policy period and extensions thereof and within three years after the final termination of this policy, as far as they relate to the subject matter of this insurance.

- 4 Special Conditions Applicable to Occupational Disease As regards personal injury (fatal or non-fatal) by Occupational Disease sustained by any employee of the insured, this policy is subject to the same warranties, terms or conditions (except as regards the premium, the amount and limits of liability, any condition respecting "other insurance" and the renewal agreement, if any) as are contained in or as may be added to the policies of Underlying Insurance set forth in the Declarations prior to the happening of an occurrence for which claim is made hereunder.
- 5 Amount of Liability The company shall only be liable for ultimate net loss in excess of either:
 - (a) except as provided in sub-paragraph (b) hereof, the applicable limits of liability of the policies of underlying insurance set forth in Item 3 of the Declarations; or
 - (b) as respects each occurrence not covered by such underlying insurance, or where each occurrence is covered by such underlying insurance but in recoverable amounts less than the Underlying Limits set forth in Item 4 of the Declarations, the amount of ultimate net loss set forth in the Declarations as "Underlying Limits";
 but in no event shall the company be liable for an amount in excess of the applicable limit of liability set forth in Item 6 of the Declarations.
- The limit of liability stated in Item 6 of the Declarations as applicable to "each occurrence" is the total limit of the company's liability under this policy for ultimate net loss as a result of any one occurrence.
 Subject to the limit of liability set forth in Item 5 of the Declarations with respect to "each occurrence" the limit of liability as set forth as "Aggregate" shall be the total limit of the company's liability under this policy for ultimate net loss:
 - (1) because of all personal injury and property damage during

- each consecutive twelve months of the policy period, arising out of the Products-Completed Operations Hazards, and
- (2) because of all personal injury during each consecutive twelve months of the policy period sustained from Occupational Disease by any employee of the insured.

In the event of reduction or exhaustion of the aggregate limits of liability under the policies of underlying insurance by reason of losses paid thereunder, this policy shall:

- (i) in the event of reduction, pay the excess of the reduced underlying insurance, and
 - (ii) in the event of exhaustion, continue in force as underlying insurance,
- but nothing in this paragraph shall operate to increase the limits of the company's liability.

- 6 Severability of Interest The term "the insured" is used severally and not collectively, but the inclusion herein of more than one insured shall not operate to increase the limits of the company's liability. If more than one insured is named in Item 2 of the Declarations, it is agreed that the limits of the company's liability shall not apply separately to each such insured.
- 7 Notice of Occurrence When an occurrence takes place which, in the opinion of the insured, involves or may involve liability on the part of the company, prompt written notice shall be given by or on behalf of the insured to Gravena, Dorgan & Company Special Risks and/or American Adjustment Company, P. O. Box 1660, Houston, Texas 77001. Such notice shall contain particulars sufficient to identify the insured and also reasonably obtainable information respecting the time, place and circumstances of the occurrence. Failure to so notify the company of any occurrence which at the time of its happening did not appear to involve this policy but which, at a later date, would appear to give rise to a claim hereunder shall not prejudice such claim provided such notice is then given.
- 8 Assistance and Cooperation of the Insured The company shall not be called upon to assume charge of the settlement or defense of any claim made, suit brought or proceeding instituted against the insured but the company shall have the right and shall be given the opportunity to associate with the insured or the insured's underlying insurers, or both, in the defense and control of any claim, suit or proceeding relative to an occurrence where, in the judgment of the company, the claim or suit involves or appears reasonably likely to result in liability for indemnity by the company under this policy, in which event the insured, any underlying insurers involved, and the company, shall cooperate in all things in the defense of such claim or suit.
 With respect to any claim made, suit brought or proceeding instituted against the insured in which the policies or underlying insurance set forth in Item 3 of the Declarations will not apply be-

UNIVERSITY OF TEXAS AT AUSTIN

cause of the exhaustion of the aggregate limits of liability thereunder, if such claim, suit or proceeding is one which could result in liability of the Company to indemnify the Insured hereunder for damages, the Company may assume complete control of the investigation, negotiations, settlement and defense of any such claim, suit or proceeding against the Insured. The Insured shall cooperate with the Company and, upon the Company's request, attend hearings and trials and assist in making settlements, securing and giving evidence, obtaining the attendance of witnesses and in the conduct of any legal proceedings in connection with the subject matter of this insurance. The Insured shall not, except at his own cost, voluntarily make any payment, assume any obligation or incur any expense other than for such immediate medical and surgical relief to others as shall be imperative at the time of the occurrence.

- 9 Terms of Policy Conformed to Statute Terms of this policy which are in conflict with the statutes of the State wherein this policy is issued are hereby amended to conform to such statutes.
- 10 Appeals In the event the Insured or the Insured's underlying insurer(s) elect not to appeal a judgment in excess of the underlying limits, the company may elect to make such appeal at its own cost and expense, and shall be liable for the taxable costs, disbursements and interest on judgments incidental thereto, but in no event shall the liability of the company for ultimate net loss exceed the limit of its liability stated in this policy and, in addition, the cost and expense of such appeal.
- 11 Loss Payable Liability under this policy with respect to any occurrence shall not attach unless and until the Insured, or the Insured's underlying insurer, shall have paid the amount of the underlying limits on account of such occurrence. The Insured shall make a definite claim for any loss for which the company may be liable under the policy within twelve (12) months after the Insured shall have paid an amount of ultimate net loss in excess of the amount borne by the Insured or after the Insured's liability shall have been fixed and rendered certain either by final judgment against the Insured after actual trial or by written agreement of the Insured, the claimant and the company. If any subsequent payments shall be made by the Insured on account of the same occurrence, additional claims shall be made similarly from time to time. Such losses shall be due and payable within thirty days after they are respectively claimed and proven in conformity with this policy.
- 12 Other Insurance If any other valid and collectible insurance exists protecting the Insured against ultimate net loss covered by this policy (other than the policies of underlying insurance specified in Item 3 of the Declarations and other than any policy with respect to which this policy is specified therein as underlying insurance), this policy shall be null and void with respect to such loss whether the Insured is specifically named in such other policy of insurance or not; provided, however, if the amounts recoverable by the Insured under such other insurance are not sufficient to completely protect the Insured against such loss, this policy shall apply but only as excess insurance over such other valid and collectible insurance, in an amount not to exceed the limit of the company's liability stated in this policy, and not as contributing insurance.
- 13 Subrogation Inasmuch as this policy is excess coverage, the Insured's right of recovery against any person, firm or corporation cannot be exclusively subrogated to the company; therefore, in case of any payment hereunder, the company will act in concert with all other interests, including the Insured, concerned in the exercise of such rights of recovery. The apportioning of any

amounts which may be so recovered shall follow the principle that any interests, including the Insured, that shall have paid an amount over and above any payment hereunder, shall first be reimbursed up to the amount paid by them; the company is then to be reimbursed out of any balance then remaining up to the amount paid hereunder; lastly, the interests, including the Insured, of which this coverage is in excess are entitled to claim the residue, if any. Expenses necessary to the recovery of any such amounts shall be apportioned between the interests, including the Insured, concerned, in the ratio of their respective recoveries as finally settled.

- 14 Changes Notice to or knowledge possessed by any person shall not effect a waiver or a change in any part of this policy or estop the company from asserting any rights under the terms of this policy; nor shall the terms of this policy be waived or changed except by endorsement issued to form a part of this policy.
- 15 Assignment Assignment of interest under this policy shall not bind the company until its consent is endorsed hereon.
- 16 Cancellation This policy may be cancelled at any time by the Insured first named in Item 1 of the Declarations by mailing to the company or any of its authorized representatives, written notice stating when thereafter such cancellation shall become effective. This policy may be cancelled by the company by mailing to the Insured first named in Item 1 of the Declarations, at the address shown in the Declarations, written notice stating when, either not less than 30 days thereafter or the maximum cancellation notice period stated in the policies of underlying insurance set forth in the Declarations, whichever is lesser, such cancellation shall be effective. The mailing of notice as aforesaid shall be sufficient proof of notice. The effective date and hour stated in such notice shall become the end of the policy period. Delivery of such written notice either by such Insured or the company shall be equivalent to mailing. If such Insured cancels, earned premium shall be computed in accordance with the customary short rate table and procedure. If the company cancels, earned premium shall be computed pro rata. Premium adjustment may be made either at the time cancellation is effected or as soon as practicable after cancellation becomes effective, but payment or tender of unearned premium is not a condition of cancellation.
- 17 Maintenance of Underlying Insurance. The policy or policies set forth in the Declarations as Underlying Insurance shall be maintained in full effect during the period this policy remains in force except for any reduction of the aggregate limits contained therein solely by payment of claims for occurrences which take place during this policy period. Failure of the Insured to comply with the foregoing shall not invalidate this policy but in the event of such failure, the company shall only be liable to the same extent as it would have been if the Insured had complied with this condition.
- 18 Service of Suit Pursuant to any statute of any state, territory or district of the United States which makes provision therefor, the company hereby designates the Commissioner, Superintendent or Director of Insurance or other officer specified for that purpose in the statute, and his successor or successors in office, as its true and lawful attorney upon whom may be served any lawful process in any action, suit or proceeding instituted in any Court of competent jurisdiction by or on behalf of the Insured or any beneficiary hereunder arising out of this contract of insurance, and hereby designates Cravens, Dargan & Company Special Risks and/or American Adjustment Company, P. O. Box 1660, Houston, Texas 77001 as the companies to whom said officer is authorized to mail such process or a true copy thereof.

In witness whereof, the Company indicated ☒ on the Declarations page, has caused this policy to be signed by its president and secretary at Dallas, Texas, and countersigned on the declaration page by a duly authorized agent of the company.

UMBRELLA LIABILITY INSURANCE

The Company agrees with the Insured, named in the schedule made a part hereof, in consideration of the payment of the premiums and in reliance upon the statements in the schedule and subject to the limits of liability, exclusions, conditions and other terms of this policy:

—INSURING AGREEMENTS—

- I. **COVERAGES:** To indemnify the Insured for all sums which the Insured shall be obligated to pay by reason of the liability imposed upon him by law or liability assumed by him under contract or agreement for damages and expenses, all as included in the definition of "ultimate net loss", because of:

- (A) personal injury, as hereinafter defined;
- (B) property damage, as hereinafter defined;
- (C) advertising liability, as hereinafter defined.

II. **DEFINITIONS:**

A. **Insured.**

The unqualified word "Insured" includes the Named Insured and also includes:

- (1) except with respect to liability arising out of the ownership, operation, maintenance, use, loading and unloading of automobiles, aircraft or watercraft — any director, stockholder, officer, or other employee of the Named Insured, while acting within the scope of his duties as such, and any organization or proprietor with respect to real estate management for the Named Insured. If the Named Insured is a partnership or joint venture, any partner or member thereof but only with respect to his liability as such;
- (2) any other person or organization who is an additional Insured under any underlying policy of insurance subject to all the limitations of coverage under such policy other than the limits of liability;
- (3) with respect to any automobile owned by the Named Insured or hired for use by or on behalf of the Named Insured, or to any aircraft or watercraft hired for use by or on behalf of the Named Insured; any person while using such automobile, aircraft, or watercraft and any person or organization legally responsible for the use thereof, provided the actual use thereof is with the permission of the Named Insured. The insurance afforded by this sub-division (3), with respect to any person or organization other than the Named Insured does not apply:
 - (a) to any person or organization, or to any agent or employee thereof, operating an automobile repair shop, public garage, sales agency, service station or public parking place, with respect to any occurrence arising out of the operation thereof,
 - (b) to (i) any manufacturer of aircraft engines or component parts of aircraft or aviation accessories, or (ii) any aircraft sales or service or repair organization, or (iii) any seller of aircraft supplies, accessories, equipment or component parts of aircraft or (iv) any airport or hangar operator or (v) the respective employees or agents of any of the aforementioned, with respect to any occurrence arising out of the operations of any of the aforementioned;
 - (c) with respect to any hired automobile, aircraft or watercraft, to the owner or lessee thereof, other than the Named Insured, or any employee of such owner or lessee.

Except with respect to sub-paragraph (b) hereof, this sub-division (3) shall not apply if it restricts the insurance granted under sub-division (2) above.

- (4) This insurance does not apply to "ultimate net loss" arising out of the conduct of any partnership or joint venture of which the insured is a partner or member and which is not designated in this policy as a Named Insured.

Personal Injury.

- B. The term "personal injury" shall mean bodily injury, sickness or disease, including death at any time resulting therefrom, mental injury, mental anguish, shock, disability, false arrest, false imprisonment, wrongful eviction, detention, malicious prosecution, discrimination (except where it is a violation of a statute or regulation), humiliation, invasion of right of privacy, libel, slander or defamation of character.

C. **Property Damage.**

The term "property damage" shall mean physical injury to, or destruction of, tangible property, including the loss of use thereof

D. **Advertising Liability.**

The term "advertising liability" shall mean (1) libel, slander or defamation, (2) any infringement of copyright or of title or of slogan, piracy or unfair competition, or idea misappropriation under an implied contract, or (3) any invasion of right of privacy — all committed or alleged to have been committed in any advertisement, publicity

article, broadcast or telecast and arising out of the Named Insured's advertising activities.

E. **Ultimate Net Loss.**

The term "ultimate net loss" shall mean the total sum which the Insured, or any company as his insurer, or both, becomes legally obligated to pay as damages, because of personal injury, property damage, or advertising liability, either through adjudication or compromise, and shall also include hospital, medical and funeral charges and all sums paid as salaries, wages, compensation, fees, charges and law costs, premiums on attachment or appeal bonds, interest on judgments, expenses for doctors, lawyers, nurses and investigators and other persons, and for litigation, settlement, adjustment and investigation of claims and suits which are paid as a consequence of any occurrence covered hereunder, excluding only the salaries of the Named Insured's or of any underlying insurer's permanent employees.

The Company shall not be liable for any expenses as aforesaid when payment of such expenses is included in other valid and collectible insurance.

F. **Automobile.**

The term "automobile" shall mean a land motor vehicle, trailer or semi-trailer designed for travel on public roads (including any machinery or apparatus attached thereto), but does not include mobile equipment;

"Mobile equipment" means a land vehicle (including any machinery or apparatus attached thereto), whether or not self-propelled, (1) not subject to motor vehicle registration, or (2) maintained for use exclusively on premises owned by or rented to the Named Insured, including the ways immediately adjoining, or (3) designed for use principally off public roads, or (4) designed or maintained for the sole purpose of affording mobility to equipment of the following types forming an integral part of or permanently attached to such vehicle: power cranes, shovels, loaders, diggers and drills; concrete mixers (other than the mix-in-transit type); graders, scrapers, rollers and other road construction or repair equipment; air compressors, pumps and generators, including spraying, welding and building cleaning equipment; and geophysical exploration and well servicing equipment.

G. **Aircraft.**

The term "aircraft" shall mean heavier than air or lighter than air aircraft designed to transport persons or property.

H. **Completed Operations Hazard.**

The term "completed operations" hazard includes personal injury and property damage arising out of operations or reliance upon a representation or warranty made at any time with respect thereto, but only if the personal injury or property damage occurs after such operations have been completed or abandoned and occurs away from premises owned by or rented to the Named Insured. "Operations" include materials, parts or equipment furnished in connection therewith. Operations shall be deemed completed at the earliest of the following times:

- (1) when all operations to be performed by or on behalf of the Named Insured under a contract have been completed,
- (2) when all operations to be performed by or on behalf of the Named Insured at the site of the operations have been completed, or
- (3) when the portion of the work out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or sub-contractor engaged in performing operations for a principal as a part of the same project.

Operations which may require further service or maintenance work, or correction, repair or replacement because of any defect or deficiency, but which are otherwise complete, shall be deemed completed.

The completed operations hazard does not include personal injury or property damage arising out of:

operations in connection with the transportation of property, unless the personal injury or property damage arises out of a condition in or on a vehicle created by the loading or unloading thereof, or the existence of tools, uninstalled equipment or abandoned or unused materials

I. **Products Hazard.**

The term "products hazard" includes personal injury and property damage arising out of the Named Insured's products or reliance upon

on a representation or warranty made at any time with respect thereto, but only if the personal injury or property damage occurs away from premises owned by or rented to the Named Insured and after physical possession of such products has been relinquished to others,

J. Occurrence.

The term "occurrence" shall mean (a) an accident, or (b) an event, or continuous or repeated exposure to conditions, which results during the policy period, in personal injury, property damage, or advertising liability (either alone or in combination) neither expected nor intended from the standpoint of the Insured. With respect to coverages I, (A) and I, (B), except the products-completed operations hazards, all personal injury and property damage (either alone or in combination) arising out of one event or continuous or repeated exposure to substantially the same general conditions existing at or emanating from one premises location shall be deemed to be one occurrence. With respect to coverages I, (A) and I, (B), all personal injury and property damage (either alone or in combination) arising out of the products-completed operations hazards shall be deemed to be one occurrence if arising out of one lot of goods or products prepared or acquired by the Named Insured or others trading under his name. With respect to coverage I, (C), all personal injury and property damage (either alone or in combination)

involving the same injurious material or act, regardless of the frequency or repetition thereof, the number or kind of media used, and the number of claimants, shall be deemed to arise out of one occurrence.

III. POLICY PERIOD: This policy applies only to occurrences as herein defined, which happen during the policy period, provided, however, if any occurrence happens during the policy period of this policy which results in personal injury, property damage or advertising liability of the type which would be insured under the provisions of this policy and if personal injury, property damage or advertising liability resulting from that same occurrence has also happened during the policy period of any similar policy of insurance issued by the Company to any Named Insured hereunder prior to the policy period of this policy, that policy issued by the Company which is in force at the time the first claim is made against the Insured which could result in ultimate net loss payable thereunder shall constitute the only policy of the Company which shall apply to such occurrence and to all personal injury, property damage and advertising liability (either alone or in combination) at any time resulting from such occurrence, regardless of the number of similar policies of insurance issued by the Company which could otherwise apply in the absence of this agreement.

— EXCLUSIONS —

I. This policy does not apply,

(A) with respect to advertising liability, to claims made against the Insured:

(1) for failure of performance of contract, but this shall not apply to claims for unauthorized appropriation of ideas based upon alleged breach of implied contract;

(2) for infringement of registered trade-mark, service mark or trade-name by use thereof as the registered trade-mark, service mark or trade-name of goods or services sold, offered for sale or advertised, but this shall not apply to titles or slogans;

(3) for incorrect description of any article or commodity;

(4) for mistake in advertised price;

(B) to any obligation for which the Insured or any carrier as his insurer may be held liable under any workmen's compensation, unemployment compensation or disability benefits law, or under any similar law, provided, however, that this exclusion does not apply to liability of others assumed by the Named Insured under any contract or agreement;

(C) to loss of use of tangible property which has not been physically injured or destroyed resulting from:

(1) a delay in or lack of performance by or on behalf of the named insured of any contract or agreement, or

(2) the failure of the Insured's products or work performed by or on behalf of the Insured to meet the level of performance, quality, fitness or durability warranted or represented by the Insured;

but this exclusion does not apply to loss of use of other tangible property resulting from the sudden and accidental physical injury to or destruction of the Insured's products or work performed by or on behalf of the Insured after such products or work have been put to use by any person or organization other than an insured;

(D) to property damage to the Insured's products arising out of such products or any part of such products;

(E) to property damage to work performed by or on behalf of the Insured arising out of the work or any portion thereof, or out of materials, parts or equipment furnished in connection therewith;

(F) to damages claimed for the withdrawal, inspection, repair, replacement, or loss of use of the Insured's products or work completed

by or for the Insured or of any property of which such products or work form a part, if such products, work or property are withdrawn from the market or from use because of any known or suspected defect or deficiency therein;

(G) to any liability of the Insured due to war, invasion, acts of foreign enemies, hostilities (whether war be declared or not), civil war, rebellion, revolution, insurrection, military or usurped power or confiscation or nationalization or requisition or destruction of or damage to property by or under the order of any government or public or local authority;

(H) to injury to or destruction of property owned by any Insured;

(I) as respects all operations,

(1) to the discharge, dispersal, release or escape of smoke, vapors, soot, fumes, acids, alkalis, toxic chemicals, solids, liquids or gases, waste materials, or other irritants, contaminants or pollutants into or upon land, the atmosphere or any watercourse or body of water unless such discharge, dispersal, release or escape is sudden and accidental.

(2) to fines, penalties, punitive or exemplary damages; or the cost of removing or cleaning up substances described in (1) above. This limitation (2) applies only to occurrences described in (1) above.

II. This policy does not apply, except insofar as coverage is available to the Insured under the underlying policies of insurance set forth in the schedule:

(A) to liability of any Insured or an employee of said Insured with respect to personal injury to or death of another employee of the same employer injured in the course of such employment;

(B) to liability arising out of the ownership, maintenance, operation, use, loading or unloading of any aircraft or watercraft owned by any Insured or leased by any Insured for a period of more than thirty consecutive days; provided however, this exclusion shall not apply to liability of the Named Insured for any other non-owned aircraft or watercraft.

(C) to liability of any Insured hereunder for assault and battery committed by or at the direction of such Insured except liability for personal injury or death resulting from any act alleged to be assault and battery committed for the purpose of preventing personal injury or property damage.

— CONDITIONS —

1. Premium. The premium for this policy shall be as stated in the schedule. Said premium may be subject to adjustment in the manner stipulated in the schedule.

2. Additions. In the event additional Insureds or additional coverages are added to the underlying insurance while this policy is in force, prompt notice shall be given to the Company and the Company shall be entitled to charge appropriate additional premium.

3. Inspection and Audit. The Company shall be permitted but not obligated to inspect the Named Insured's property and operations at any time. Neither the Company's right to make inspections nor the making thereof nor any report thereon shall constitute an undertaking, on behalf of or for the benefit of the Named Insured or others, to determine or warrant that such property or operations are safe. The Company may examine and audit the Named Insured's books and records at any time during the policy period and extensions thereof and within three years after the final termination of this policy, as far as they relate to the subject matter of this insurance.

4. Special Conditions Applicable to Occupational Disease. As regards personal injury (fatal or non-fatal) by occupational disease sustained by any employee of the Insured, this policy is subject to the same terms and conditions except as regards the premium, the amount and limits

of liability, any condition respecting "other insurance" and the renewal agreement, if any) as are contained in or as may be added to the policies of underlying insurance set forth in the schedule prior to the happening of an occurrence for which claim is made hereunder.

5. Limits of Liability.

(A) The Company shall only be liable for ultimate net loss in excess of either,

(i) the applicable limits of liability of the policies of underlying insurance set forth in item 3 of the schedule; or

(ii) as respects an occurrence not covered by such underlying insurance, but covered under this policy; or where an occurrence is covered by such underlying insurance but in recoverable amounts less than the self insured retention set forth in item 4 of the schedule, the amount of ultimate net loss set forth in item 4 of the schedule as "self insured retention."

(B) In no event shall the Company be liable for an amount in excess of the applicable limit of liability set forth in item 5 of the schedule. The limit of liability stated in item 5 of the schedule as applicable to "each occurrence" is the total limit of the Company's liability under this policy for ultimate net loss as a result of any one occurrence. Subject to the limit of liability set forth in item 5 of the schedule.

DSM-018056

CONFIDENTIAL

2016-001140 Record on Appeal 963

STW000319

date with respect to "each occurrence", the limit of liability so set forth as "aggregate" shall be the total limit of the Company's liability under this policy for ultimate net loss:

(i) because of all personal injury and property damage during each consecutive twelve months of the policy period, arising out of the products-completed operations hazards, and

(ii) because of all personal injury during each consecutive twelve months of the policy period sustained from occupational disease by any employee of the Insured.

(C) In the event of reduction or exhaustion of the aggregate limits of liability under the policies of underlying insurance by reason of losses paid thereunder, this policy shall:

(i) in the event of reduction, pay excess of the reduced underlying insurance, and

(ii) in the event of exhaustion, continue in force as underlying insurance,

but nothing in this paragraph shall operate to increase the limits of the Company's liability.

6. **Severability of Interests.** The term "the Insured" is used severally and not collectively, but the inclusion herein of more than one Insured shall not operate to increase the limits of the Company's liability. If more than one Insured is named in item 1 of the schedule, it is agreed that the limits of the Company's liability shall not apply separately to each such Insured.

7. **Notice of Occurrence.** When an occurrence takes place which, in the opinion of the Insured, involves or may involve liability on the part of the Company, prompt written notice shall be given by or on behalf of the Insured to the Company. Such notice shall contain particulars sufficient to identify the Insured and also reasonably obtainable information respecting the time, place and circumstances of the occurrence. Failure to so notify the Company of any occurrence which at the time of its happening did not appear to involve this policy but which, at a later date, would appear to give rise to a claim hereunder shall not pre-judge such claim provided such notice is then given.

8. **Assistance and Cooperation of the Insured.** Except when the aggregate limits of liability under the policies of underlying insurance set forth in item 3 of the schedule have been exhausted, the Company shall not be called upon to assume charge of the settlement or defense of any claim made, suit brought or proceeding instituted against the Insured but the Company shall have the right and shall be given the opportunity to associate with the Insured or the Insured's underlying insurers, or both, in the defense and control of any claim, suit or proceeding relative to an occurrence where, in the judgment of the Company, the claim or suit involves or appears reasonably likely to result in liability for indemnity by the Company under this policy, in which event the Insured, any underlying insurers involved, and the Company, shall cooperate in all things in the defense of such claim or suit.

With respect to any claim made, suit brought or proceeding instituted against the Insured to which the policies of underlying insurance set forth in item 3 of the schedule will not apply because of the exhaustion of the aggregate limits of liability thereunder, if such claim, suit or proceeding is one which could result in liability of the Company to indemnify the Insured hereunder for damages, the Company shall assume complete control of the investigation, negotiations, settlement and defense of any such claim, suit or proceeding against the Insured. The Insured shall cooperate with the Company and, upon the Company's request, attend hearings and trials and assist in making settlements, securing and giving evidence, obtaining the attendance of witnesses and in the conduct of any legal proceedings in connection with the subject matter of this insurance. The Insured shall not, except at his own cost, voluntarily make any payment, assume any obligation or incur any expense other than for such immediate medical and surgical relief to others as shall be imperative at the time of the occurrence.

9. **Terms of Policy Conformed to Statute:** Terms of this policy which are in conflict with the statutes of the State wherein this policy is issued are hereby amended to conform to such statutes.

10. **Appeals.** In the event the Insured or the Insured's underlying insurer(s) elect not to appeal a judgment in excess of the underlying limits, the Company may elect to make such appeal at its own cost and expense, and shall be liable for the taxable costs, disbursements and interest on judgments incidental thereto, but in no event shall the liability of the Company for ultimate net loss exceed the limit of its liability stated in this policy and, in addition, the cost and expense of such appeal.

11. **Loss Payable.** Liability under this policy with respect to any occurrence shall not attach unless and until the Insured, or the Insured's underlying insurer, shall have paid the amount of the self insured retention or the underlying limits on account of such occurrence. The In-

sured shall make a definite claim for any loss for which the Company may be liable under the policy within twelve (12) months after the Insured shall have paid an amount of ultimate net loss in excess of the amount borne by the Insured or after the Insured's liability shall have been fixed and rendered certain either by final judgment against the Insured after actual trial or by written agreement of the Insured, the claimant and the Company. If any subsequent payments shall be made by the Insured on account of the same occurrence, additional claims shall be made similarly from time to time. Such losses shall be due and payable within thirty days after they are respectively claimed and proven in conformity with this policy.

12. **Other Insurance.** If any other valid and collectible insurance exists protecting the Insured against ultimate net loss covered by this policy (other than the policies of underlying insurance specified in item 3 of the schedule and other than any policy with respect to which this policy is specified therein as underlying insurance), this policy shall be null and void with respect to such loss whether the Insured is specifically named in such other policy of insurance or not; provided, however, if the amounts recoverable by the Insured under such other insurance are not sufficient to completely protect the Insured against such loss, this policy shall apply but only as excess insurance over such other valid and collectible insurance, in an amount not to exceed the limit of the Company's liability stated in this policy, and not as contributing insurance.

13. **Subrogation.** Inasmuch as this policy is excess coverage, the Insured's right of recovery against any person, firm or corporation cannot be exclusively subrogated to the Company; therefore, in case of any payment hereunder, the Company will act in concert with all other interests, including the Insured, concerned in the exercise of such rights of recovery. The apportioning of any amounts which may be so recovered shall follow the principle that any interests, including the Insured, that shall have paid an amount over and above any payment hereunder, shall first be reimbursed up to the amount paid by them; the Company is then to be reimbursed out of any balance then remaining up to the amount paid hereunder; lastly, the interests, including the Insured, of which this coverage is in excess are entitled to claim the residue, if any. Expenses necessary for the recovery of any such amounts shall be apportioned between the interests, concerned, including the Insured, in the ratio of their respective recoveries as finally settled.

14. **Changes.** Notice to or knowledge possessed by any person shall not effect a waiver or a change in any part of this policy or stop the Company from asserting any rights under the terms of this policy; nor shall the terms of this policy be waived or changed except by endorsement issued to form a part of this policy.

15. **Assignment.** Assignment of interest under this policy shall not bind the Company until its consent is endorsed hereon, on.

16. **Cancellation.** This policy may be cancelled at any time by the Insured first named in item 1 of the schedule by mailing to the Company written notice stating when thereafter such cancellation shall become effective. This policy may be cancelled by the Company by mailing to the Insured first named in item 1 of the schedule, at the address shown in the schedule, written notice stating when, not less than 30 days thereafter, such cancellation shall be effective. The mailing of notice as aforesaid shall be sufficient proof of notice. The effective date and hour stated in such notice shall become the end of the policy period. Delivery of such written notice either by such Insured or the Company shall be equivalent to mailing. If such Insured cancels, earned premium shall be computed in accordance with the customary short rate table and procedure. If the Company cancels, earned premium shall be computed pro rata. Premium adjustment may be made either at the time cancellation is effected or as soon as practicable after cancellation becomes effective, but payment or tender of unearned premium is not a condition of cancellation.

It is agreed that irrespective of any other terms or conditions contained in this policy or endorsements attached hereto, this policy may be cancelled by the company, for non-payment of any unpaid portion of the premium by delivering to the Insured or by sending to the Insured by mail, registered or unregistered, at the Insured's address as shown herein, not less than ten days' written notice stating when the cancellation shall be effective.

17. **Maintenance of Underlying Insurance.** The policy or policies set forth in the schedule as underlying insurance shall be maintained in full effect during the period this policy remains in force except for any reduction of the aggregate limits contained therein solely by payment of claims for occurrences which take place during this policy period. Failure of the Insured to comply with the foregoing shall not invalidate this policy but in the event of such failure, the Company shall only be liable to the same extent as it would have been if the Insured had complied with this condition.

IN WITNESS WHEREOF, the Company has caused this policy to be countersigned on the schedule page by an authorized representative.

CLERK OF COURT

Defendants, certain Underwriters at Lloyd's, London, certain Aviva Companies, certain Winterthur Companies, New London Reinsurance Company Limited, and The Scottish Lion Insurance Company Limited (as more fully identified in their Notice of Appearance filed on May 26, 2015, and identified collectively herein as "Moving Insurers"), pursuant to Rule 56 of the South Carolina Rules of Civil Procedure, hereby move for summary judgment on the same grounds set forth in (1) Defendant Continental Casualty Company's Motion for Summary Judgment Based on Corporate Succession and Memorandum of Law in support thereof, and (2) certain defendants' Motion for Summary Judgment regarding the pollution exclusion and Joint Brief in support thereof. Both of these motions are incorporated herein by reference, and Moving Insurers join in the relief sought therein. In further support thereof, Moving Insurers state as follows:

I. Factual Background

1. Moving Insurers subscribed to three umbrella liability policies (the "London Umbrella Policies") and three excess liability policies (the "London Excess Policies") in favor of Columbia Nitrogen Corporation ("Old CNC") that are at issue in this action (collectively, the "London Policies"). They are as follows:

Policy No.	Period	Policy Type
65/10754/2	2/13/1965-2/13/1968	Umbrella
65/10754/3	2/13/1965-2/13/1968	Excess
68/10754/2	2/13/1968-2/13/1971	Umbrella
68/10754/3	2/13/1968-2/13/1971	Excess
71/10754/5	2/13/1971-11/12/1973	Umbrella
71/10754/4	2/13/1971-11/12/1973	Excess

2. The London Umbrella Policies¹ contain the following insuring agreement:

Underwriters hereby agree, subject to the limitations, terms and conditions hereinafter mentioned, to indemnify the Assured for all sums which the Assured shall be obligated to pay by reason of the liability

- (a) imposed upon the Assured by law, or
- (b) assumed under contract or agreement by the Named Assured and/or any officer, director, stockholder, partner or employee of the Named Assured, while acting in his capacity as such,

for damages, direct or consequential and expenses, all as more fully defined by the term "ultimate net loss" on account of:-

- (i) Personal Injuries, including death at any time resulting therefrom,
- (ii) Property Damage,
- (iii) Advertising Liability,

caused by or arising out of each occurrence happening anywhere in the world.

See London policy no. 65/10754/2, of which a true and correct copy of the most complete evidence presently available is attached hereto as Exhibit 1, at LON000013; London policy no. 68/10754/2, of which a true and correct copy of the most complete evidence presently available is attached hereto as Exhibit 2, at LON000092; London policy no. 71/10754/5, of which a true and correct copy of the most complete evidence presently available is attached hereto as Exhibit 3, at LON000233.

3. The London Excess Policies contain the following insuring agreement:

¹ London Umbrella Policy no. 71/10754/5 contains a slightly different insuring agreement than set forth in this Paragraph; however, the differences are immaterial to the resolution of the instant Motion.

Underwriters hereby agree, subject to the limitations, terms and conditions hereinafter mentioned, to indemnify the Assured for all sums which the Assured shall be obligated to pay by reason of the liability

- (a) imposed upon the Assured by law, or
- (b) assumed under contract or agreement by the Named Assured and/or any officer, director, stockholder, partner or employee of the Named Assured, while acting in his capacity as such,

for damages, direct or consequential and expenses on account of:-

- (i) Personal Injuries, including death at any time resulting therefrom,
- (ii) Property Damage,
- (iii) Advertising Liability,

caused by or arising out of each occurrence happening anywhere in the world, and arising out of the hazards covered by and as defined in the Underlying Umbrella Policies stated in Item 2 of the Declarations and issued by Underwriters at Lloyd's London, and Certain Insurance Companies (hereinafter called the "Underlying Umbrella Insurers").

See London policy no. 65/10754/3, of which a true and correct copy of the most complete evidence presently available is attached hereto as Exhibit 4, at LON000048; London policy no. 68/10754/3, of which a true and correct copy of the most complete evidence presently available is attached hereto as Exhibit 5, at LON000118 (indicating that the policy was issued "upon the terms and conditions (including any endorsements thereon)" of the expiring policy number 65/10754/3); London policy no. 71/10754/4, of which a true and correct copy of the most complete evidence presently available is attached hereto as Exhibit 6, at LON000183.

4. Each of the London Excess Policies identifies the immediately underlying London Umbrella Policy as the "Underlying Umbrella Polic[y]" to which it "follows form." *See* Ex. 4, at LON000050; Ex. 5, at LON000118 (indicating that the policy was issued "upon the terms and conditions (including any endorsements thereon)" of the expiring policy number 65/10754/3); Ex. 6, at LON000185.

5. The London Umbrella Policies² define the term "Assured" as follows:

The unqualified word "Assured", wherever used in this policy, includes not only the Named Assured but also:-

- (a) any officer, director, stockholder, partner or employee of the Named Assured, while acting in his capacity as such, and any organization or proprietor with respect to real estate management for the Named Assured;
- (b) any person, organization, trustee or estate to whom the Named Assured is obligated by virtue of a written contract or agreement to provide insurance such as is afforded by this policy, but only with respect to operations by or on behalf of the Named Assured or to facilities of the Named Assured or used by them;
- (c) any additional Assured (not being Named Assured under this policy) included in the Underlying Insurances, subject to the provisions in Condition B; but not for broader coverage than is available to such additional Assured under any underlying insurances as set out in attached Schedule;
- (d) with respect to any automobile owned by the Named Assured or hired for use in behalf of the Named Assured, or to any aircraft owned by or hired for use in behalf of the Named Assured, any person while using such automobile or aircraft and any person or organization legally responsible for the use thereof, provided the actual use of the automobile or aircraft is with the permission of the Named Assured. The Insurance extended by this sub-division (d), with respect to any person or organization other than the Named Assured, shall not apply –
 - 1. to any person or organizations, or to any agent or employee thereof, operating an automobile repair shop, public garage, sales agency, service station, or public parking place, with respect to any occurrence arising out of the operation thereof;
 - 2. to any manufacturer of aircraft, engines, or aviation accessories, or any aviation sales or service or repair organization or airport or hangar operation or their respective employees or agents with respect to any occurrence arising out of the operation thereof;
 - 3. with respect to any hired automobile or aircraft, to the owner thereof or any employee of such owner. This subdivision (d) shall not apply if it restricts the insurance granted under sub-division (c) above.

² London Umbrella Policy no. 71/10754/5 contains a slightly different definition of the term "Assured" than set forth in this Paragraph; however, the differences are immaterial to the resolution of the instant Motion.

See Ex. 1, at LON000014; Ex. 2, at LON000093; Ex. 3, at LON000234-35. This definition is incorporated into each of the London Excess Policies per their "follow form" provisions set forth above.

6. All of the London Policies identify "Columbia Nitrogen Corporation and/or Columbia Nipro Corporation and/or subsidiary, associated, affiliated companies or owned and controlled companies as now or hereafter constituted and of which prompt notice has been given to Underwriters" as the "Named Assured" under the policies. See Ex. 1, at LON000021, LON000013; Ex. 2, at LON000100, LON000092; Ex. 3, at LON000243, LON000233, LON; Ex. 4, at LON000050, LON000047-48; Ex. 5, at LON000118 (indicating that the policy was issued "upon the terms and conditions (including any endorsements thereon)" of the expiring policy number 65/10754/3); Ex. 6, at LON000201, LON000199.

7. Each of the London Umbrella Policies contains a condition titled "Assignment," providing that "Assignment of interest under this policy shall not bind Underwriters unless and until their consent is endorsed hereon." See Ex. 1, at LON000019; Ex. 2, at LON000098; Ex. 3, at LON000241. This condition is incorporated into each of the London Excess Policies per their "follow form" provisions set forth above. None of the London Policies in this action contains an endorsement by which Moving Insurers consented to any purported assignment of interest thereunder.

8. London Umbrella Policy no. 71/10754/5 and London Excess Policy no. 71/10754/4 (the "1971-1973 London Policies") both contain the following exclusion added by endorsement:

This Insurance does not cover any liability for:

- (1) Personal Injury or Bodily Injury or loss of, damage to, or loss of use of property directly or indirectly caused by seepage, pollution or contamination resulting from the discharge, dispersal or release or escape of any substance into or upon any watercourse or body of water.

- (2) Personal Injury or Bodily Injury or loss of, damage to, or loss of use of property directly or indirectly caused by seepage, pollution or contamination other than described in paragraph (1) above, provided always that this Paragraph (2) shall not apply to liability for Personal Injury or Bodily Injury or loss of or physical damage to or destruction of tangible property, or loss of use of such property damaged or destroyed where such seepage, pollution or contamination is caused by a sudden unintended and unexpected happening during the period of this Insurance.
- (3) The cost of removing, nullifying or cleaning-up seeping, polluting or contaminating substances unless the seepage, pollution or contamination is caused by sudden unintended or unexpected happening during the period of this Insurance.
- (4) Fines, penalties, punitive or exemplary damages.

This Clause shall not extend this Insurance to cover any liability which would not have been covered under this Insurance had this Clause not been attached.

See Ex. 3, at LON000268; Ex. 6, at LON000197.

9. Additional facts relevant to the disposition of the instant Motion are set forth in the Memorandum of Law filed in support of Defendant Continental Casualty Company's Motion for Summary Judgment Based on Corporate Succession ("Corporate Succession Memorandum") and the Joint Brief filed in support of certain defendants' Motion for Summary Judgment regarding the pollution exclusion ("Pollution Exclusion Brief"), which are incorporated herein by reference.

II. Argument

A. PCS Is Not an Assured Under the London Policies and Is Not the Successor to Old CNC's Rights Thereunder

10. The London Policies potentially provide coverage only to an Assured as that term is defined in the policies. PCS is not entitled to coverage under the London Policies because it does not qualify as an Assured as that term is defined therein.

11. Moreover, for the reasons set forth in further detail in Section IV.B.1 of the Corporate Succession Memorandum, Old CNC was not entitled to assign its rights to coverage under the London Policies to any other entity without the consent of Moving Insurers. Moving Insurers never consented to such an assignment, nor is there an endorsement to any of the policies evidencing Moving Insurers' consent to any such assignment. Any purported assignment of Old CNC's rights under the London Policies would therefore be ineffective and void.

12. In addition, as Sections IV.B.2 and IV.B.3 of the Corporate Succession Memorandum make clear, PCS has not previously been held to be the corporate successor to Old CNC, the Named Assured under the London Policies, and is not in fact the corporate successor to Old CNC under either South Carolina or Federal law. Therefore, PCS is not entitled to coverage under the London Policies under any corporate succession theory.

13. Based on the foregoing, PCS cannot establish that it qualifies as an assured under the London Policies or that it is the successor to Old CNC's rights to coverage thereunder, and Moving Insurers are therefore entitled to judgment as a matter of law on each and every claim asserted against them by PCS in this action.

B. PCS's Claims for Coverage Under the 1971-1973 London Policies Are Barred By the Pollution Exclusion

14. PCS's claims for coverage under the 1971-1973 London Policies (even assuming PCS qualifies as an Assured under them) must also fail because they are excluded from coverage by the pollution exclusion contained in the policies.

15. As demonstrated in the Pollution Exclusion Brief, the alleged property damage at the site in question falls squarely within the terms of the pollution exclusions contained in the 1971-1973 London Policies because it constitutes "damage to...property directly or indirectly caused by seepage, pollution or contamination."

16. Moreover, the Pollution Exclusion Brief makes clear that the “sudden and accidental” exception in the pollution exclusions at issue therein does not apply because PCS cannot show that any third-party property damage at the site resulted from a sudden and accidental discharge. Similarly, the “sudden unintended and unexpected” exception in the pollution exclusions contained in the 1971-1973 London Policies does not apply because PCS cannot show that any third-party property damage at the site was “caused by a sudden unintended and unexpected happening during the period” of the policies.

17. Additionally, as set forth in further detail in the Pollution Exclusion Brief, PCS is collaterally estopped from re-litigating whether the pollution exclusions apply to bar coverage for its claims.

18. For the foregoing reasons, Moving Insurers subscribing to the 1971-1973 London Policies are entitled to judgment as a matter of law on the claims asserted against them by PCS under those policies based on the application of the pollution exclusion.

WHEREFORE, Defendants, certain Underwriters at Lloyd’s, London, certain Aviva Companies, certain Winterthur Companies, New London Reinsurance Company Limited, and The Scottish Lion Insurance Company Limited pray that the Court enter an order granting summary judgment in their favor and against Plaintiff PCS Nitrogen, Inc., on all counts of PCS’s Third Amended Complaint directed against them, and granting such other and further relief as the Court deems just and proper.

 - (i) failure of performance of contract, but this shall not relate to claims for unauthorized appropriation of ideas based upon alleged breach of an implied contract;
 - (ii) infringement of registered trade mark, service mark or trade name by use thereof as the registered trade mark, service mark or trade name of goods or services sold, offered for sale or advertised, but this shall not relate to titles or slogans;
 - (iii) incorrect description of any article or commodity;
 - (iv) mistake in advertised price;
- (d) except in respect of occurrences taking place in the United States of America, its territories or possessions, or Canada, to any liability of the Assured directly or indirectly occasioned by, happening through or in consequence of war, invasion, acts of foreign enemies, hostilities, (whether war be declared or not), civil war, rebellion, revolution, insurrection, military or usurped power or confiscation or nationalization or requisition or destruction of or damage to property by or under the order of any government or public or local authority.

Except insofar as coverage is available to the Assured in the underlying insurances as set out in the attached Schedule, this policy shall not apply:-

- (e) to liability of any Assured hereunder for assault and battery committed by or at the direction of such Assured except liability for Personal Injury or Death resulting from any act alleged to be assault and battery committed for the purpose of preventing or eliminating danger in the operation of aircraft, or for the purpose of preventing personal injury or property damage; it being understood and agreed that this exclusion shall not apply to the liability of the Named Assured for personal injury to their employees; unless such liability is already excluded under Exclusion (a) above;
- (f) with respect to any aircraft owned by the Assured except liability of the Named Assured for aircraft not owned by them; it being understood and agreed that this exclusion shall not apply to the liability of the Named Assured for personal injury to their employees, unless such liability is already excluded under Exclusion (a) above;
- (g) with respect to any watercraft owned by the Assured, while away from premises owned, rented or controlled by the Assured, except liability of the Named Assured for watercraft not owned by them; it being understood and agreed that this exclusion shall not apply to the liability of the Named Assured for personal injury to their employees, unless such liability is already excluded under Exclusion (a) above;
- (h) to any employees with respect to injury to or death of another employee of the same Employer injured in the course of such employment.

THIS POLICY IS SUBJECT TO THE FOLLOWING CONDITIONS:

A. PREMIUM -

Unless otherwise provided for the premium for this Policy is a flat premium and is not subject to adjustment except as provided in Condition B and P.

- B. In the event of Additional Assureds being added to the coverage under the Underlying Insurances during currency hereof prompt notice shall be given to Underwriters hereon and if an additional premium has been charged for such addition on the Underlying Insurances, Underwriters shall be entitled to charge an appropriate additional premium hereon.

C. PRIOR INSURANCE AND NON CUMULATION OF LIABILITY -

It is agreed that if any loss covered hereunder is also covered in whole or in part under any other excess policy issued to the Assured prior to the inception date hereof the limit of liability hereon as stated in Item 2 of the Declarations shall be reduced by any amount due to the Assured on account of such loss under such prior insurance.

Subject to the foregoing paragraph and to all the other terms and conditions of this Policy in the event that personal injury or property damage arising out of an occurrence covered hereunder is continuing at the time of termination of this policy Underwriters will continue to protect the Assured for liability in respect of such personal injury or property damage without payment of additional premium.

D. SPECIAL CONDITIONS APPLICABLE TO OCCUPATIONAL DISEASE -

As regards personal injury (fatal or non-fatal) by occupational disease sustained by any employee of the Assured, this policy is subject to the same warranties, terms and conditions (except as regards the premium, the amount and limits of liability and the renewal agreement, if any) as are contained in or as may be added to the underlying insurances prior to the happening of an occurrence for which claim is made hereunder.

E. INSPECTION AND AUDIT -

Underwriters shall be permitted at all reasonable times during the policy period to inspect the premises, plants, machinery and equipment used in connection with the Assured's business, trade or work, and to examine the Assured's books and records at any time during the currency hereof and within one year after final settlement of all claims so far as the books and records relate to any payments made on account of occurrence happening during the term of this policy.

F. CROSS LIABILITY -

In the event of claims being made by reason of personal injuries suffered by any employee or employees of one Assured hereunder for which another Assured hereunder is or may be liable, then this policy shall cover such Assured against whom a claim is made or may be made in the same manner as if separate policies had been issued to each Assured hereunder.

In the event of claims being made by reason of damage to property belonging to any Assured hereunder for which another Assured is, or may be, liable then this policy shall cover such Assured against whom a claim is made or may be made in the same manner as if separate policies had been issued to each Assured hereunder.

Nothing contained herein shall operate to increase Underwriters' limit of liability as set forth in Insuring Agreement II.

G. NOTICE OF OCCURRENCE -

Whenever the Assured has information from which the Assured may reasonably conclude that an occurrence covered hereunder involves injuries or damages which, in the event that the Assured should be held liable, is likely to involve this Policy, notice shall be sent as stated in Item 3 of the Declarations as soon as practicable, provided, however, that failure to give notice of any occurrence which at the time of its happening did not appear to involve this policy but which, at a later date, would appear to give rise to claims hereunder, shall not prejudice such claims.

H. ASSISTANCE AND CO-OPERATION -

The Underwriters shall not be called upon to assume charge of the settlement or defense of any claim made or suit brought or proceeding instituted against the Assured but Underwriters shall have the right and shall be given the opportunity to associate with the Assured or the Assured's underlying insurers, or both, in the defense and control of any claim, suit or proceeding relative to an occurrence where the claim or suit involves, or appears reasonably likely to involve Underwriters, in which event the Assured and Underwriters shall co-operate in all things in the defense of such claim, suit or proceeding.

I. APPEALS -

In the event the Assured or the Assured's underlying insurers elect not to appeal a judgment in excess of the underlying limits, Underwriters may elect to make such appeal at their cost and expense, and shall be liable for the taxable costs and disbursements and interest incidental thereto, but in no event shall the liability of Underwriters for ultimate net loss exceed the amount set forth in Insuring Agreement II for any one occurrence and in addition the cost and expense of such appeal.

J. LOSS PAYABLE -

Liability under this Policy with respect to any occurrence shall not attach unless and until the Assured, or the Assured's underlying insurer, shall have paid the amount of the underlying limits on account of such occurrences. The Assured shall make definite claim for any loss for which the Underwriters may be liable under the policy within twelve (12) months after the Assured shall have paid an amount of ultimate net loss in excess of the

amount borne by the Assured or after the Assured's liability shall have been fixed and rendered certain either by final judgment against the Assured after actual trial or by written agreement of the Assured, the claimant, and Underwriters. If any subsequent payments shall be made by the Assured on account of the same occurrence, additional claims shall be made similarly from time to time. Such losses shall be due and payable within thirty (30) days after they are respectively claimed and proven in conformity with this policy.

K. BANKRUPTCY AND INSOLVENCY -

In the event of bankruptcy or insolvency of the Assured or any entity comprising the Assured, the Underwriters shall not be relieved thereby of the payment of any claim hereunder because of such bankruptcy or insolvency.

L. OTHER INSURANCE -

If other valid and collectible Insurance with any other insurer is available to the Assured covering a loss also covered by this policy, other than insurance that is in excess of the insurance afforded by this policy, the insurance afforded by this policy shall be in excess of and shall not contribute with such other insurance. Nothing herein shall be construed to make this policy subject to the terms, conditions and limitations of other insurance.

M. SUBROGATION -

Inasmuch as this policy is "Excess Coverage", the Assured's right of recovery against any person or other entity cannot be exclusively subrogated to the Underwriters. It is, therefore, understood and agreed that in case of any payment hereunder, the Underwriters will act in concert with all other interests (including the Assured) concerned, in the exercise of such rights or recovery. The apportioning of any amounts which may be so recovered shall follow the principle that any interests (including the Assured) that shall have paid an amount over and above any payment hereunder, shall first be reimbursed up to the amount paid by them; the Underwriters are then to be reimbursed out of any balance then remaining up to the amount paid hereunder; lastly, the interests (including the Assured) of whom this coverage is in excess are entitled to claim the residue, if any. Expense necessary to the recovery of any such amounts shall be apportioned between the interests (including the Assured) concerned, in the ratio of their respective recoveries as finally settled.

N. CHANGES -

Notice or knowledge possessed by any person shall not effect a waiver or change in any part of this policy or stop Underwriters from asserting any right under the terms of this policy, nor shall the terms of this policy be waived or changed, except by endorsement issued to form a part hereof, signed by Underwriters.

O. ASSIGNMENT -

Assignment of interest under this policy shall not bind Underwriters unless and until their consent is endorsed hereon.

P. CANCELLATION -

This policy may be cancelled by the Named Assured or by the Underwriters or their representatives by sending by registered mail notice to the other party stating when, not less than thirty (30) days thereafter, cancellation shall be effective. The mailing of notice as aforesaid by Underwriters or their representatives to the Named Assured at the address shown in this policy shall be sufficient proof of notice, and the insurance under this policy shall end on the effective date and hour of cancellation stated in the notice. Delivery of such written notice either by the Named Assured or by the Underwriters or their representatives shall be equivalent to mailing.

As Ex

If this policy shall be cancelled by the Named Assured the Underwriters shall retain the customary short rate proportion of the premium for the period this policy has been in force. If this policy shall be cancelled by the Underwriters, the Underwriters shall retain the pro-rata proportion of the premium for the period this policy has been in force. Notice of cancellation by the Underwriters shall be effective even though Underwriters made no payment or tender of return premium with such notice.

Q. CURRENCY -

The premiums and losses under this policy are payable in the currency stated in Item 4 of the Declarations. Payment of premium shall be made as stated in Item 5 of the Declarations.

R. CONFLICTING STATUTES -

In the event that any provision of this policy is unenforceable by the Assured under the laws of any State or other jurisdiction wherein it is claimed that the Assured is liable for any injury covered hereby, because of non-compliance with any statute thereof, then this policy shall be enforceable by the Assured with the same effect as if it complied with such Statute.

S. SERVICE OF SUIT CLAUSE -

It is agreed that in the event of the failure of Underwriters hereon to pay any amount claimed to be due hereunder, Underwriters hereon, at the request of the Assured, will submit to the jurisdiction of any Court of competent jurisdiction within the United States and will comply with all requirements necessary to give such Court jurisdiction and all matters arising hereunder shall be determined in accordance with the law and practice of such Court.

It is further agreed that service of process in such suit may be made as stated in Item 6 of the Declarations, and that in any suit instituted against any one of them upon this policy, Underwriters will abide by the final decision of such Court or of any Appellate Court in the event of an appeal. The person or firm named in Item 6 are authorized and directed to accept service of process on behalf of Underwriters in any such suit and/or upon the request of the Assured to give a written undertaking to the Assured that they will enter a general appearance upon Underwriters' behalf in the event such a suit be instituted.

Further, pursuant to any statute of any state, territory or district of the United States which makes provision therefor, Underwriters hereon hereby designate the Superintendent, Commissioner or Director of Insurance or other officers specified for that purpose in the statute, or his successor or successors in office, as their true and lawful attorney upon whom may be served any lawful process in any action, suit or proceeding instituted by or on behalf of the Assured or any beneficiary hereunder arising out of this policy of insurance, and hereby designate the above-named as the person to whom the said officer is authorized to mail such process or a true copy thereof.

T. MAINTENANCE OF UNDERLYING INSURANCES -

It is a condition of this policy that the policy or policies referred to in the attached "Schedule of Underlying Insurances" shall be maintained in full effect during the currency of this policy except for any reduction of the aggregate limit or limits contained therein solely by payment of claims in respect of accidents and/or occurrences occurring during the period of this policy. Failure of the Assured to comply with the foregoing shall not invalidate this policy but in the event of such failure, the Underwriters shall only be liable to the same extent as they would have been had the Assured complied with the said condition.

- (h) to any employees with respect to injury to or death of another employee of the same Employer injured in the course of such employment.

THIS POLICY IS SUBJECT TO THE FOLLOWING CONDITIONS:

A. PREMIUM -

Unless otherwise provided for the premium for this Policy is a flat premium and is not subject to adjustment except as provided in Condition B and P.

- B. In the event of Additional Assureds being added to the coverage under the Underlying Insurances during currency hereof prompt notice shall be given to Underwriters hereon and if an additional premium has been charged for such addition on the Underlying Insurances, Underwriters shall be entitled to charge an appropriate additional premium hereon.

C. PRIOR INSURANCE AND NON CUMULATION OF LIABILITY -

It is agreed that if any loss covered hereunder is also covered in whole or in part under any other excess policy issued to the Assured prior to the inception date hereof the limit of liability hereon as stated in Item 2 of the Declarations shall be reduced by any amount due to the Assured on account of such loss under such prior insurance.

Subject to the foregoing paragraph and to all the other terms and conditions of this Policy in the event that personal injury or property damage arising out of an occurrence covered hereunder is continuing at the time of termination of this policy Underwriters will continue to protect the Assured for liability in respect of such personal injury or property damage without payment of additional premium.

D. SPECIAL CONDITIONS APPLICABLE TO OCCUPATIONAL DISEASE -

As regards personal injury (fatal or non-fatal) by occupational disease sustained by any employee of the Assured, this policy is subject to the same warranties, terms and conditions (except as regards the premium, the amount and limits of liability and the renewal agreement, if any) as are contained in or as may be added to the underlying insurances prior to the happening of an occurrence for which claim is made hereunder.

E. INSPECTION AND AUDIT -

Underwriters shall be permitted at all reasonable times during the policy period to inspect the premises, plants, machinery and equipment used in connection with the Assured's business, trade or work, and to examine the Assured's books and records at any time during the currency hereof and within one year after final settlement of all claims so far as the books and records relate to any payments made on account of occurrence happening during the term of this policy.

F. CROSS LIABILITY -

In the event of claims being made by reason of personal injuries suffered by any employee or employees of one Assured hereunder for which another Assured hereunder is or may be liable, then this policy shall cover such Assured against whom a claim is made or may be made in the same manner as if separate policies had been issued to each Assured hereunder.

In the event of claims being made by reason of damage to property belonging to any Assured hereunder for which another Assured is, or may be, liable then this policy shall cover such Assured against whom a claim is made or may be made in the same manner as if separate policies had been issued to each Assured hereunder.

Nothing contained herein shall operate to increase Underwriters' limit of liability as set forth in Insuring Agreement II.

G. NOTICE OF OCCURRENCE -

Whenever the Assured has information from which the Assured may reasonably conclude that an occurrence covered hereunder involves injuries or damages which, in the event that the Assured should be held liable, is likely to involve this Policy, notice shall be sent as stated in Item 3 of the Declarations as soon as practicable, provided, however, that failure to give notice of any occurrence which at the time of its happening did not appear to involve this policy but which, at a later date, would appear to give rise to claims hereunder, shall not prejudice such claims.

H. ASSISTANCE AND CO-OPERATION -

The Underwriters shall not be called upon to assume charge of the settlement or defense of any claim made or suit brought or proceeding instituted against the Assured but Underwriters shall have the right and shall be given the opportunity to associate with the Assured or the Assured's underlying insurers, or both, in the defense and control of any claim, suit or proceeding relative to an occurrence where the claim or suit involves, or appears reasonably likely to involve Underwriters, in which event the Assured and Underwriters shall co-operate in all things in the defense of such claim, suit or proceeding.

I. APPEALS -

In the event the Assured or the Assured's underlying insurers elect not to appeal a judgment in excess of the underlying limits, Underwriters may elect to make such appeal at their cost and expense, and shall be liable for the taxable costs and disbursements and interest incidental thereto, but in no event shall the liability of Underwriters for ultimate net loss exceed the amount set forth in Insuring Agreement II for any one occurrence and in addition the cost and expense of such appeal.

J. LOSS PAYABLE -

Liability under this Policy with respect to any occurrence shall not attach unless and until the Assured, or the Assured's underlying insurer, shall have paid the amount of the underlying limits on account of such occurrences. The Assured shall make definite claim for any loss for which the Underwriters may be liable under the policy within twelve (12) months after the Assured shall have paid an amount of ultimate net loss in excess of the

amount borne by the Assured or after the Assured's liability shall have been fixed and rendered certain either by final judgment against the Assured after actual trial or by written agreement of the Assured, the claimant, and Underwriters. If any subsequent payments shall be made by the Assured on account of the same occurrence, additional claims shall be made similarly from time to time. Such losses shall be due and payable within thirty (30) days after they are respectively claimed and proven in conformity with this policy.

K. BANKRUPTCY AND INSOLVENCY -

In the event of bankruptcy or insolvency of the Assured or any entity comprising the Assured, the Underwriters shall not be relieved thereby of the payment of any claim hereunder because of such bankruptcy or insolvency.

L. OTHER INSURANCE -

If other valid and collectible Insurance with any other insurer is available to the Assured covering a loss also covered by this policy, other than insurance that is in excess of the insurance afforded by this policy, the insurance afforded by this policy shall be in excess of and shall not contribute with such other insurance. Nothing herein shall be construed to make this policy subject to the terms, conditions and limitations of other insurance.

M. SUBROGATION -

Inasmuch as this policy is "Excess Coverage", the Assured's right of recovery against any person or other entity cannot be exclusively subrogated to the Underwriters. It is, therefore, understood and agreed that in case of any payment hereunder, the Underwriters will act in concert with all other interests (including the Assured) concerned, in the exercise of such rights or recovery. The apportioning of any amounts which may be so recovered shall follow the principle that any interests (including the Assured) that shall have paid an amount over and above any payment hereunder, shall first be reimbursed up to the amount paid by them; the Underwriters are then to be reimbursed out of any balance then remaining up to the amount paid hereunder; lastly, the interests (including the Assured) of whom this coverage is in excess are entitled to claim the residue, if any. Expense necessary to the recovery of any such amounts shall be apportioned between the interests (including the Assured) concerned, in the ratio of their respective recoveries as finally settled.

N. CHANGES -

Notice to or knowledge possessed by any person shall not effect a waiver or change in any part of this policy or stop Underwriters from asserting any right under the terms of this policy, nor shall the terms of this policy be waived or changed, except by endorsement issued to form a part hereof, signed by Underwriters.

O. ASSIGNMENT -

Assignment of interest under this policy shall not bind Underwriters unless and until their consent is endorsed hereon.

P. CANCELLATION -

This policy may be cancelled by the Named Assured or by the Underwriters or their representatives by sending by registered mail notice to the other party stating when, not less than thirty (30) days thereafter, cancellation shall be effective. The mailing of notice as aforesaid by Underwriters or their representatives to the Named Assured at the address shown in this policy shall be sufficient proof of notice, and the insurance under this policy shall end on the effective date and hour of cancellation stated in the notice. Delivery of such written notice either by the Named Assured or by the Underwriters or their representatives shall be equivalent to mailing.

If this policy shall be cancelled by the Named Assured the Underwriters shall retain the customary short rate proportion of the premium for the period this policy has been in force. If this policy shall be cancelled by the Underwriters, the Underwriters shall retain the pro-rata proportion of the premium for the period this policy has been in force. Notice of cancellation by the Underwriters shall be effective even though Underwriters made no payment or tender of return premium with such notice.

Q. CURRENCY -

The premiums and losses under this policy are payable in the currency stated in Item 4 of the Declarations. Payment of premium shall be made as stated in Item 5 of the Declarations.

R. CONFLICTING STATUTES -

In the event that any provision of this policy is unenforceable by the Assured under the laws of any State or other jurisdiction wherein it is claimed that the Assured is liable for any injury covered hereby, because of non-compliance with any statute thereof, then this policy shall be enforceable by the Assured with the same effect as if it complied with such Statute.

S. SERVICE OF SUIT CLAUSE -

It is agreed that in the event of the failure of Underwriters hereon to pay any amount claimed to be due hereunder, Underwriters hereon, at the request of the Assured, will submit to the jurisdiction of any Court of competent jurisdiction within the United States and will comply with all requirements necessary to give such Court jurisdiction and all matters arising hereunder shall be determined in accordance with the law and practice of such Court.

It is further agreed that service of process in such suit may be made as stated in Item 6 of the Declarations, and that in any suit instituted against any one of them upon this policy, Underwriters will abide by the final decision of such Court or of any Appellate Court in the event of an appeal. The person or firm named in Item 6 are authorized and directed to accept service of process on behalf of Underwriters in any such suit and/or upon the request of the Assured to give a written undertaking to the Assured that they will enter a general appearance upon Underwriters' behalf in the event such a suit be instituted.

Further, pursuant to any statute of any state, territory or district of the United States which makes provision therefor, Underwriters hereon hereby designate the Superintendent, Commissioner or Director of Insurance or other officers specified for that purpose in the statute, or his successor or successors in office, as their true and lawful attorney upon whom may be served any lawful process in any action, suit or proceeding instituted by or on behalf of the Assured or any beneficiary hereunder arising out of this policy of insurance, and hereby designate the above-named as the person to whom the said officer is authorized to mail such process or a true copy thereof.

T. MAINTENANCE OF UNDERLYING INSURANCES -

It is a condition of this policy that the policy or policies referred to in the attached "Schedule of Underlying Insurances" shall be maintained in full effect during the currency of this policy except for any reduction of the aggregate limit or limits contained therein solely by payment of claims in respect of accidents and/or occurrences occurring during the period of this policy. Failure of the Assured to comply with the foregoing shall not invalidate this policy but in the event of such failure, the Underwriters shall only be liable to the same extent as they would have been had the Assured complied with the said condition.

B. ADDITIONAL ASSUREDS -

In the event of additional assureds being added to the coverage under the Underlying Insurances during currency hereof prompt notice shall be given to Underwriters hereon who shall be entitled to charge an appropriate additional premium hereon.

C. PRIOR INSURANCE AND NON CUMULATION OF LIABILITY -

It is agreed that if any loss covered hereunder is also covered in whole or in part under any other excess policy issued to the Assured prior to the inception date hereof the limit of liability hereon as stated in item 2 of the Declarations shall be reduced by any amounts due to the Assured on account of such loss under such prior insurance.

D. SPECIAL CONDITIONS APPLICABLE TO OCCUPATIONAL DISEASE -

As regards personal injury (fatal or non-fatal) by occupational disease sustained by any employee of the Assured, this policy is subject to the same warranties, terms and conditions, (except as regards the premium, the amounts and limits of liability and the renewal agreement, if any) as are contained in or as may be added to the underlying insurances prior to the happening of an occurrence for which claim is made hereunder.

E. INSPECTION AND AUDIT -

Underwriters shall be permitted but not obligated to inspect the Assured's property and operations at any time. Neither the Underwriters right to make inspections nor the making thereof nor any report thereon shall constitute an undertaking on behalf of or for the benefit of the Assured or others, to determine or warrant that such property or operations are safe.

Underwriters may examine and audit the Assured's books and records at any time during the policy period and extensions thereof and within three years after final termination of this policy, as far as they relate to the subject matter of this insurance.

F. CROSS LIABILITY -

In the event of claims being made by reason of personal injury suffered by any employee of one Assured hereunder for which another Assured hereunder is or may be liable, then this policy shall cover such Assured against whom a claim is made or may be made in the same manner as if separate policies had been issued to each Assured hereunder.

In the event of claims being made by reason of damage to property belonging to any Assured hereunder for which another Assured is, or may be, liable then this policy shall cover such Assured against whom a claim is made or may be made in the same manner as if separate policies had been issued to each Assured hereunder.

Nothing contained herein shall operate to increase Underwriters' limit of liability as set forth in Insuring Agreement 11.

G. NOTICE OF OCCURRENCE -

Whenever the Assured has information from which the Assured may reasonably conclude that an occurrence covered hereunder involves injuries or damages which, in the event that the Assured should be held liable, is likely to involve this policy, notice shall be sent as stated in Item 4 of the Declarations as soon as practicable, provided, however, that failure to give notice of any occurrence which at the time of its happening did not appear to involve this policy but which, at a later date, would appear to give rise to claims hereunder, shall not preclude such claims.

H. ASSISTANCE AND CO-OPERATION -

The Underwriters shall not be called upon to assume charge of the settlement or defense of any claim made or suit brought or proceeding instituted against the Assured but Underwriters shall have the right and shall be given the opportunity to associate with the Assured or the Assured's underlying insurers, or both, in the defense and control of any claim, suit or proceeding relative to an occurrence where the claim or suit involves, or appears reasonably likely to involve Underwriters, in which event the Assured and Underwriters shall co-operate in all things in the defense of such claim, suit or proceeding.

I. APPEALS -

In the event of the Assured or the Assured's underlying insurers elect not to appeal a judgment in excess of the underlying limits, Underwriters may elect to make such appeal at their own cost and expense, and shall be liable for the taxable costs and disbursements and interest on judgments incidental thereto, but in no event shall the liability of Underwriters for ultimate net loss exceed the amount set forth in Insuring Agreement for any one occurrence and in addition the cost and expense of such appeal.

J. LOSS PAYABLE -

Liability under this policy with respect to any occurrence shall not attach unless and until the Assured, or the Assured's underlying insurer, shall have paid the amount of the underlying limits on account of such occurrence. The Assured shall make a definite claim for any loss for which the Underwriters may be liable under the policy within twelve (12) months after the Assured shall have paid an amount of ultimate net loss in excess of the amount borne by the Assured or after the Assured's liability shall have been fixed and rendered certain either by final judgment against the Assured after actual trial or by written agreement of the Assured, the claimant, and Underwriters. If any subsequent payments shall be made by the Assured on account of the same occurrence, additional claims shall be made similarly from time to time. Such losses shall be due payable within thirty (30) days after they are respectively claimed and proven in conformity with this policy.

K. BANKRUPTCY AND INSOLVENCY -

In the event of bankruptcy or insolvency of the Assured or any entity comprising the Assured, the Underwriters shall not be relieved thereby of the payment of any claims hereunder because of such bankruptcy or insolvency.

L. OTHER INSURANCE -

If other valid and collectible insurance with any other insurer is available to the Assured covering a loss also covered by this policy, other than insurance that is specifically stated to be excess of this policy, the insurance afforded by this policy shall be in excess of and shall not contribute with other such insurance. Nothing herein shall be construed to make this policy subject to the terms, conditions and limitations of other insurance.

M. SUBROGATION -

Inasmuch as this policy is "Excess Coverage", the Assured's right of recovery against any person or other entity cannot be exclusively subrogated to the Underwriters. It is, therefore, understood and agreed that in case of any payment hereunder, the Underwriters will act in conjunction with all other interests (including the Assured) concerned, in the exercise of such rights of recovery. The Apportioning of any amounts which may be so recovered shall follow the principle that any interests (including the Assured) that shall have paid an amount over and above any payment hereunder shall first be reimbursed up to the amount paid by them; the Underwriters are then to be reimbursed out of any balance then remaining up to the amount paid hereunder; lastly, the interests (including the Assured) of whom this coverage is in excess are entitled to claim the residue, if any. Expenses necessary to the recovery of any such amounts shall be apportioned between the interests (including the Assured) concerned, in the ratio of their respective recoveries as finally settled.

N. CHANGES -

Notice to or Knowledge possessed by any person shall not effect a waiver or change in any part of this policy or stop Underwriters from asserting any right under the terms of this policy; nor shall the terms of this policy be waived or changed, except by endorsement issued to form a part hereof; signed by Underwriters.

O. ASSIGNMENT -

Assignment of interest under this policy shall not bind Underwriter unless and until their consent is endorsed hereon.

P. CANCELLATION -

This policy may be cancelled by the Named Assured or by the Underwriters or their representatives by sending registered mail notice to the other party stating when, not less than thirty (30) days thereafter, cancellation shall be effective. The mailing of notice as aforesaid by Underwriters or their representatives to the Named Assured at the address shown in this policy shall be sufficient proof of notice, and the insurance under this policy shall end on the effective date and hour of cancellation stated in the notice. Delivery of such written notice either by the Named Assured or by the Underwriters or their representatives shall be equivalent to mailing.

If this policy shall be cancelled by the Named Assured the Underwriters shall retain the customary short rate proportion of the premium for the period this policy has been in force. If this policy shall be cancelled by the Underwriters the Underwriters shall retain the pro rata proportion of the premium for the period this policy has been in force. Notice of cancellation by the Underwriters shall be effective even though Underwriters make no payment or tender of return premium with such notice.

Q. CURRENCY -

The premiums and losses under this policy are payable in the currency stated in Item 5 of the Declarations. Payment of Premium shall be made as stated in Item 6 of the Declarations.

R. CONFLICTING STATUTES -

In the event that any provision of this policy is unenforceable by the Assured under the laws of any State or other jurisdiction wherein it is claimed that the Assured is liable for any injury covered hereby, because of non-compliance with any statute thereof, then this policy shall be enforceable by the Assured with the same effect as if it complied with such Statute.

S. MAINTENANCE OF AND RESTRICTIONS IN UNDERLYING INSURANCES -

It is a condition of this policy that the policy or policies referred to in the attached "Schedule of Underlying Insurances" shall be maintained in full effect during the policy period without reduction of coverage or limits except for any reduction of the aggregate limit or limits contained herein solely by payment of claims in respect of accidents and/or occurrences occurring during the period of this policy. Failure of the Named Assured to comply with the foregoing shall not invalidate this policy but in the event of such failures, the Underwriters shall only be liable to the same extent as they would have been had the Named Assured complied with the said condition.

C. PRIOR INSURANCE AND NON CUMULATION OF LIABILITY -

It is agreed that if any loss covered hereunder is also covered in whole or in part under any other excess policy issued to the Assured prior to the inception date hereof the limit of liability hereon as stated in item 2 of the Declarations shall be reduced by any amounts due to the Assured on account of such loss under such prior insurance.

D. SPECIAL CONDITIONS APPLICABLE TO OCCUPATIONAL DISEASE -

As regards personal injury (fatal or non-fatal) by occupational disease sustained by any employee of the Assured, this policy is subject to the same warranties, terms and conditions, (except as regards the premium, the amounts and limits of liability and the renewal agreement, if any) as are contained in or as may be added to the underlying insurances prior to the happening of an occurrence for which claim is made hereunder.

E. INSPECTION AND AUDIT -

Underwriters shall be permitted but not obligated to inspect the Assured's property and operations at any time. Neither the Underwriters right to make inspections nor the making thereof nor any report thereon shall constitute an undertaking on behalf of or for the benefit of the Assured or others, to determine or warrant that such property or operation are safe.

Underwriters may examine and audit the Assured's books and records at any time during the policy period and extensions thereof and within three years after final termination of this policy, as far as they relate to the subject matter of this insurance.

F. CROSS LIABILITY -

In the event of claims being made by reason of personal injury suffered by any employee of one Assured hereunder for which another Assured hereunder is or may be liable, then this policy shall cover such Assured against whom a claim is made or may be made in the same manner as if separate policies had been issued to each Assured hereunder.

In the event of claims being made by reason of damage to property belonging to any Assured hereunder for which another Assured is, or may be, liable then this policy shall cover such Assured against whom a claim is made or may be made in the same manner as if separate policies had been issued to each Assured hereunder.

Nothing contained herein shall operate to increase Underwriters' limit of liability as set forth in Insuring Agreement 11.

G. NOTICE OF OCCURRENCE -

Whenever the Assured has information from which the Assured may reasonably conclude that an occurrence covered hereunder involves injuries or damages which, in the event that the Assured should be held liable, is likely to involve this policy, notice shall be sent as stated in Item 4 of the Declarations as soon as practicable, provided, however, that failure to give notice of any occurrence which at the time of its happening did not appear to involve this policy but which, at a later date, would appear to give rise to claims hereunder, shall not preclude such claims.

H. ASSISTANCE AND CO-OPERATION -

The Underwriters shall not be called upon to assume charge of the settlement or defense of any claim made or suit brought or proceeding instituted against the Assured but Underwriters shall have the right and shall be given the opportunity to associate with the Assured or the Assured's underlying insurers, or both, in the defense and control of any claim, suit or proceeding relative to an occurrence where the claim or suit involves, or appears reasonably likely to involve Underwriters, in which event the Assured and Underwriters shall co-operate in all things in the defense of such claim, suit or proceeding.

I. APPEALS -

In the event of the Assured or the Assured's underlying insurers electing to appeal a judgment in excess of the underlying limits, Underwriter may elect to make such appeal at their own cost and expense, and shall be liable for the taxable costs and disbursements and interest on judgments incidental thereto, but in no event shall the liability of Underwriters for ultimate net loss exceed the amount set forth in Insuring Agreement for any one occurrence and in addition the cost and expense of such appeal.

J. LOSS PAYABLE -

Liability under this policy with respect to any occurrence shall not attach unless and until the Assured, or the Assured's underlying insurer shall have paid the amount of the underlying limits on account of such occurrence. The Assured shall make a definite claim for any loss for which the Underwriters may be liable under the policy within twelve (12) months after the Assured shall have paid an amount of ultimate net loss in excess of the amount borne by the Assured or after the Assured's liability shall have been fixed and rendered certain either by final judgment against the Assured after actual trial or by written agreement of the Assured, the claimant, and Underwriters. If any subsequent payments shall be made by the Assured on account of the same occurrence, additional claims shall be made similarly from time to time. Such losses shall be due payable within thirty (30) days after they are respectively claimed and proven in conformity with this policy.

K. BANKRUPTCY AND INSOLVENCY -

In the event of bankruptcy or insolvency of the Assured or any entity comprising the Assured, the Underwriters shall not be relieved thereby of the payment of any claims hereunder because of such bankruptcy or insolvency.

L. OTHER INSURANCE -

If other valid and collectible insurance with any other insurer is available to the Assured covering a loss also covered by this policy, other than insurance that is specifically stated to be excess of this policy, the insurance afforded by this policy shall be in excess of and shall not contribute with other such insurance. Nothing herein shall be construed to make this policy subject to the terms, conditions and limitations of other insurance.

M. SUBROGATION -

Inasmuch as this policy is "Excess Coverage", the Assured's right of recovery against any person or other entity cannot be exclusively subrogated to the Underwriters. It is, therefore, understood and agreed that in case of any payment hereunder, the Underwriters will act in concert with all other interests (including the Assured) concerned, in the exercise of such rights of recovery. The Apportioning of any amounts which may be so recovered shall follow the principle that any interests (including the Assured) that shall have paid an amount over and above any payment hereunder shall first be reimbursed up to the amount paid by them; the Underwriters are then to be reimbursed out of any balance then remaining up to the amount paid hereunder; lastly, the interests (including the Assured) of whom this coverage is in excess are entitled to claim the residue, if any. Expenses necessary to the recovery of any such amounts shall be apportioned between the interests (including the Assured) concerned, in the ratio of their respective recoveries as finally settled.

N. CHANGES -

Notice to or Knowledge possessed by any person shall not effect a waiver or change in any part of this policy or stop Underwriters from asserting any right under the terms of this policy; nor shall the terms of this policy be waived or changed, except by endorsement issued to form a part hereof; signed by Underwriters.

O. ASSIGNMENT -

Assignment of interest under this policy shall not bind Underwriter unless and until their consent is endorsed hereon.

P. CANCELLATION -

This policy may be cancelled by the Named Assured or by the Underwriters or their representatives by sending registered mail notice to the other party stating when, not less than thirty (30) days thereafter, cancellation shall be effective. The mailing of notice as aforesaid by Underwriters or their representatives to the Named Assured at the address shown in this policy shall be sufficient proof of notice, and the insurance under this policy shall end on the effective date and hour of cancellation stated in the notice. Delivery of such written notice either by the Named Assured or by the Underwriters or their representatives shall be equivalent to mailing.

If this policy shall be cancelled by the Named Assured the Underwriters shall retain the customary short rate proportion of the premium for the period this policy has been in force. If this policy shall be cancelled by the Underwriters the Underwriters shall retain the pro rata proportion of the premium for the period this policy has been in force. Notice of cancellation by the Underwriters shall be effective even though Underwriters make no payment or tender of return premium with such notice.

Q. CURRENCY -

The premiums and losses under this policy are payable in the currency stated in Item 5 of the Declarations. Payment of Premium shall be made as stated in Item 6 of the Declarations.

R. CONFLICTING STATUTES -

In the event that any provision of this policy is unenforceable by the Assured under the laws of any State or other jurisdiction wherein it is claimed that the Assured is liable for any injury covered hereby, because of non-compliance with any statute thereof, then this policy shall be enforceable by the Assured with the same effect as if it complied with such Statute.

S. MAINTENANCE OF AND RESTRICTIONS IN UNDERLYING INSURANCES -

It is a condition of this policy that the policy or policies referred to in the attached "Schedule of Underlying Insurances" shall be maintained in full effect during the policy period without reduction of coverage or limits except for any reduction of the aggregate limit or limits contained herein solely by payment of claims in respect of accidents and/or occurrences occurring during the period of this policy. Failure of the Named Assured to comply with the foregoing shall not invalidate this policy but in the event of such failures, the Underwriters shall only be liable to the same extent as they would have been had the Named Assured complied with the said condition.

CONDITIONS

1. PRIOR INSURANCE AND NON CUMULATION OF LIABILITY -

It is agreed that if any loss covered hereunder is also covered in whole or in part under any other excess Policy issued to the Assured prior to the inception date hereof the limit of liability hereon as stated in Items 5 and 6 of the Declarations shall be reduced by any amounts due to the Assured on account of such loss under such prior insurance.

Subject to the foregoing paragraph and to all other terms and conditions of this Policy in the event that personal injury or property damage arising out of an occurrence covered hereunder is continuing at the time of termination of this Policy Underwriters will continue to protect the Assured for liability in respect of such personal injury or property damage without payment of additional premium.

2. MAINTENANCE OF UNDERLYING UMBRELLA INSURANCE -

This Policy is subject to the same terms, definitions, exclusions and conditions (except as regards the premium the amount and limits of liability and except as otherwise provided herein) as are contained in or as may be added to the Underlying Umbrella Policies stated in Item 2 of the Declarations prior to the happening of an occurrence for which claim is made hereunder.

It is a condition of this Policy that the Underlying Umbrella Policies shall be maintained in full effect during the currency hereof except for any reduction of the aggregate limits contained therein solely by payment of claims in respect of accidents and/or occurrences occurring during the period of this Policy or by the operation of Condition C of the Underlying Umbrella Policies.

3. CANCELLATION -

This Policy may be cancelled by the Named Assured or by the Underwriters or their representatives by mailing written notice to the other party stating when, not less than thirty (30) days thereafter, cancellation shall be effective. The mailing of notice as aforesaid by Underwriters or their representatives to the Named Assured at the address shown in this Policy shall be sufficient proof of notice, and the Insurance under this Policy shall end on the effective date and hour of cancellation stated in the notice. Delivery of such written notice either by the Named Assured or by the Underwriters or their representatives shall be equivalent to mailing.

If this Policy shall be cancelled by the Named Assured the Underwriters shall retain the customary short rate proportion of the premium for the period this Policy has been in force.

If this policy shall be cancelled by the Underwriters the Underwriters shall retain the pro rata proportion of the premium for the period this Policy has been in force. Notice of cancellation by the Underwriters shall be effective even though Underwriters make no payment or tender of return premium.

4. NOTICE OF OCCURRENCE -

Whenever the Assured has information from which they may reasonably conclude that an occurrence covered hereunder involves injuries or damage which, in the event that the Assured shall be held liable, is likely to involve this Policy, notice shall be sent as stated in Item 7 of the Declarations as soon as practicable, provided however, that failure to give notice of any occurrence which at the time of its happening did not appear to involve this Policy, but which, at a later date, would appear to give rise to claims hereunder, shall not prejudice such claims.

5. OTHER INSURANCE -

If other valid and collectible insurance with any other Insurer is available to the Assured covering a loss also covered by this Policy, other than insurance that is in excess of the insurance afforded by this Policy, the insurance afforded by this Policy shall be in excess of and shall not contribute with such other insurance.

CONDITIONS

1. PRIOR INSURANCE AND NON CUMULATION OF LIABILITY

It is agreed that if any loss covered hereunder is also covered in whole or in part under any other excess Policy issued to the Assured prior to the inception date hereof the limit of Liability hereon as stated in Items 5 and 6 of the Declarations shall be reduced by any amounts due to the Assured on account of such loss under such prior insurance.

IN THE COURT OF COMMON PLEAS

CIVIL ACTION NO: 2011-CP-10-387

**ADMIRAL INSURANCE CO.'S MOTION
FOR SUMMARY JUDGMENT**

**TO: WM. HOWELL MORRISON, ESQUIRE, ATTORNEY FOR PLAINTIFF, AND
TO THE PLAINTIFF ABOVE NAMED:**

YOU WILL PLEASE TAKE NOTICE that the undersigned, as attorneys for the Defendant, Admiral Insurance Company, will move before the presiding judge of the Charleston County Court of Common Pleas at the Charleston County Courthouse or at such other location designated by the Honorable Thomas G. Cooper, at 10:00 a.m. on the tenth (10th) day after service hereof, or as soon thereafter as counsel may conveniently be heard, for an Order, pursuant to Rule 56, SCRCP, granting summary judgment in favor of the Defendant, Admiral

Insurance Company (hereinafter "Admiral"), on grounds that there is no genuine issue as to any material fact. More specifically, Admiral moves for summary judgment on the same grounds set forth in Defendant Continental Casualty Company's Motion for Summary Judgment based on Corporate Succession and United States Fire Insurance Company and Continental Casualty Company's Motion for Summary Judgment based on the policies' pollution exclusion. Admiral incorporates by reference and adopts all arguments and grounds made by the parties in those motions and the accompanying memoranda.

This Motion is made pursuant to Rule 56 of the South Carolina Rules of Civil Procedure and will be supplemented and supported by such affidavits, depositions, discovery responses, memoranda of law, and such other documents as appropriate.

As additional support for the motion, Admiral would show as follows:

I. FACTUAL BACKGROUND

a. Admiral issued four policies of Commercial General Liability Insurance to "Old" Columbia Nitrogen Corporation.

Admiral issued four CGL policies to "old" Columbia Nitrogen Co.¹

- Policy No. 5 CG 0071 which was in effect from February 1, 1975 – February 1, 1976 (attached as Exhibit A).
- Policy No. A 1 CM 2315 which was in effect from April 1, 1981 – April 1, 1982 (attached as Exhibit B).
- Policy No. A 2 CM 2956 which was in effect from April 1, 1982 – April 1, 1983 (attached as Exhibit C).
- Policy No. A 1 CM 3088 which was in effect from April 1, 1983 – April 1, 1984 (attached as Exhibit D).

¹ All four policies have a "per occurrence" limits of \$500,000.00 and a deductible or retained limit. In the 1975 policy the deductible is \$1,000.00 per occurrence. In the 1981, 1982, and 1983 policies the retained limit is \$25,000.00.

The policies contain identical language as it relates to the terms of the policies applicable to the coverage questions before the Court in this case. Under "Comprehensive General Liability Insurance Part":

**I. COVERAGE A – BODILY INJURY LIABILITY
COVERAGE B – PROPERTY DAMAGE LIABILITY**

ADMIRAL will pay on behalf of the Insured all sums which the Insured shall become legally obligated to pay as damages because of

... B. property damage

to which this insurance applies, caused by an occurrence and **ADMIRAL** shall have the right and duty to defend any suit against the Insured seeking damages on account of such... property damage, even if any of the allegations of the suit are groundless, false or fraudulent, and may make such investigation and settlement of any claim or suit as it deems expedient, but **ADMIRAL** shall not be obligated to pay any claim or judgment or to defend any suit after the applicable limit of **ADMIRAL'S** liability has been exhausted by payment of judgments or settlements.

Exclusions

This insurance does not apply:

- ...
- (f) to... property damage arising out of the discharge, dispersal, release or escape of smoke, vapors, soot, fumes, acids, alkalis, toxic chemicals, liquids or gases, waste materials or other irritants, contaminants, or pollutants into or upon land, the atmosphere or any water course or body of water, but this exclusion does not apply if such discharge, dispersal, release or escape is sudden and accidental.
- ...

The "Definitions" appearing at the front of the policy include the following:

When used in this policy (including endorsements forming a part hereof):

...
"Named Insured" means the person or organization named in the declarations of this policy.

...
"occurrence" means an accident, including continuous or repeated exposure to conditions, which results in bodily injury or property damage neither expected nor **intended** from the standpoint of the insured.

...
"property damage" means (1) physical injury to or destruction of tangible property which occurs during the policy period, including the loss of use thereof at any time resulting therefrom, or (2) loss of use of tangible property which has not been physically injured or destroyed provided such loss of use is caused by an occurrence during the policy period.

In addition all Admiral policies except the 1975 policy contain an "anti-assignment" provision:

Assignment of interest under this policy shall not bind ADMIRAL until its consent is endorsed hereon; if, however, the Named Insured shall die, such insurance as is afforded by this policy shall apply (1) to the Named Insured's legal representative, as the Named Insured, but only while acting within the scope of his duties as such; and (2) with respect to the property of the Named Insured, to the person having proper temporary custody thereof, as insured, but only until the appointment and qualification of the legal representative.

b. PCS's claim for coverage

As noted above, Admiral adopts and incorporates by reference the description of the nature of the claims being asserted by PCS in the memoranda filed by Continental and U.S. Fire.

II. LEGAL ANALYSIS

a. PCS is not an Insured under the Admiral policies and is not a successor to "Old" Columbia Nitrogen Co. for the purpose of acquiring status as an Insured.

Each of the Admiral policies clearly state that they provide coverage for amounts that "the insured" becomes legally obligated to pay as damages to a third-party. Pertinent to this analysis, the "insured," according to the definition provided in the policies, is "... the Named Insured ... and any executive officer, director or stockholder thereof while acting within the scope of his duties as such...." As PCS had no relationship with "old" CNC during the policy period of any Admiral policy, PCS cannot claim to be an insured according to the policy definition.

PCS, however, does not claim any right to the insurance as an "insured." PCS's contention that it is an insured under the Admiral policy is based on the claim that it is a successor to "old" CNC. For the reasons discussed in Section IV.B.1 of the memorandum concerning corporate succession, "old" CNC was not authorized to unilaterally assign its rights under the Admiral policies to any other entity without Admiral's consent and without the addition of a policy endorsement that referenced the assignment. It is undisputed that no such endorsement appears on the Admiral policies. Furthermore, there is no evidence that Admiral ever consented to any such assignment. As such, any purported assignment of the policies would be void and ineffective as it did not comply with the policies' terms.

Moreover, as Continental/U.S.Fire note in the corporate succession memorandum, PCS has never been held to be the corporate successor of "old" CNC. There is no theory available under either South Carolina or Federal law that would support such a claim and PCS has repeatedly denied being the corporate successor to "old" CNC throughout the related CERCLA litigation.

Therefore, PCS is not an insured under the Admiral policies issued to "old" CNC and Admiral is entitled to a summary judgment finding that the policies issued in 1981, 1982, and 1983 provide no coverage to PCS for its liability in the *Ashley II* litigation.

b. PCS's claim for coverage is barred by Admiral's pollution exclusion.

All four Admiral policies contain pollution exclusions. Any claim for coverage that PCS may have is barred by the terms of the pollution exclusion. As demonstrated fully by Continental in its memorandum concerning the pollution exclusion, any liability that PCS has to a third-party is based on claims that it is responsible for the clean-up of pollution of the Charleston site. The

"sudden and accidental" exception to the exclusion is inapplicable because there is no damage arising from such a discharge of pollutants within any of the four Admiral policy periods.

Finally, as is described in full detail in the pollution exclusion memorandum, PCS is collaterally estopped from re-litigating whether the pollution exclusion applies to bar coverage for the claims. PCS has litigated that issue and the federal district court held that the pollution exclusion bars coverage for the clean-up of the Charleston site. Therefore, the pollution exclusion bars coverage for the claim asserted against all four Admiral policies and Admiral is entitled to a summary judgment that there is no coverage for PCS for the claims it has asserted in this litigation.

CONCLUSION

For the foregoing reasons and for all reasons established in the Pollution Exclusion and Corporate Successor memoranda, Admiral is entitled to summary judgment on all claims asserted against it by way of PCS's Third-Amended Complaint.

Respectfully submitted,

Dear Mr. Standlee:

The Stonewall Insurance Company which writes the Umbrella Excess layer for Columbia Nitrogen has insisted that we exclude the Wrap-Up construction project that Columbia Nitrogen is involved in. According to their records, this is Project No. N-003, and the attached endorsement #4 excludes coverage for this Wrap-Up. We fought for a long period of time in an effort to have them not exclude the Wrap-Up from the Umbrella, but it was either to accept the enclosed endorsement or they would cancel the policy. Due to the fact that the Umbrella prices have risen drastically in the past year, we felt that the only alternative was to accept the exclusion endorsement which is attached.

Yours truly,

In the event the Insured or the Insured's underlying insurer elects not to appeal a judgement in excess of the retained limit, ADMIRAL may elect to do so at its own expense, and shall be liable for the taxable costs, disbursements and interest incidental thereto, but in no event shall the liability of ADMIRAL exceed the amount specified in the Limits of Liability section of this policy plus the taxable costs, disbursements and interest incidental to such appeal.

5. Action Against ADMIRAL

No actions shall lie against ADMIRAL unless, as a condition precedent thereto, the Insured shall have fully complied with the terms of this policy, nor until the amount of the Insured's obligation to pay an amount in excess of the retained limits shall have been finally determined either by judgement against the Insured after actual trial or by written agreement of the Insured, the claimant and ADMIRAL. The Insured shall make a definite claim for any loss in which ADMIRAL may be liable within a reasonable time after such final determination. If any subsequent payments are made by the Insured on account of the same occurrence, the Insured shall make additional claims from time to time and these claims shall be payable within thirty (30) days after proof in conformity with this policy. Any person or organization or the legal representative thereof who has secured such judgement or written agreement shall thereafter be entitled to recover under this policy to the extent of the insurance afforded by this policy. Nothing contained in this policy shall give any person or organization any right to join ADMIRAL as a co-defendant in any action against the Insured to determine the Insured's liability.

Bankruptcy or insolvency of the Insured shall not relieve ADMIRAL of any of its obligations hereunder.

6. Other Insurance with ADMIRAL

If collectible insurance under any other policy of ADMIRAL is available to the Insured, covering a loss also covered hereunder, ADMIRAL'S total liability shall in no event exceed the greater or greatest limit of liability applicable to such loss under this or any other such policy provided, however, this does not apply to insurance with ADMIRAL which is written as underlying insurance or which is written as excess insurance over the limit provided in this policy.

7. Other Insurance not with ADMIRAL

If collectible insurance with any other insurer is available to the Insured covering a loss also covered hereunder the insurance hereunder shall be in excess of, and not contribute with, such other insurance provided, however, this does not apply to insurance which is written as excess insurance over the limit provided in this policy.

8. Subrogation

In the event of any payment under this policy, ADMIRAL shall be subrogated to all the Insured's rights of recovery thereof against any person or organization and the Insured shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. The Insured shall do nothing after loss to prejudice such rights. Any amount so recovered shall be apportioned as follows:

Any interest (including the Insured's) having paid an amount in excess of the retained limit plus the limit of liability hereunder shall be reimbursed first to the extent of actual payment. ADMIRAL shall be reimbursed next to the extent of its actual payment hereunder. If any balance then remains unpaid, it shall be applied to reimburse the Insured or any underlying insurer, as their interest may appear. The expenses of all such recovery proceedings shall be apportioned in the ratio of respective recoveries. If there is no recovery in proceedings conducted solely by ADMIRAL, it shall bear the expenses thereof.

9. Changes

Notice to, or knowledge possessed by, any representative of ADMIRAL or by any other person shall not effect a waiver or a change in any part of this policy or estop ADMIRAL from asserting any right under the terms of this policy; nor shall the terms of this policy be waived or changed, except by endorsement issued to form a part of this policy.

10. Assignment

Assignment of interest under this policy shall not bind ADMIRAL until its consent is endorsed hereon; if, however, the Named Insured shall die, such insurance as is afforded by this policy shall apply (1) to the Named Insured's legal representative, as the Named Insured, but only while acting within the scope of his duties as such, and (2) with respect to the property of the Named Insured, to the person having proper temporary custody thereof, as Insured, but only until the appointment and qualification of the legal representative.

11. Three Year Policy

If this policy is issued for a period of three years any limit of ADMIRAL'S liability stated in this policy as "aggregate" shall apply separately to each consecutive annual period thereof.

12. Cancellation

This policy may be cancelled by the Named Insured by surrender thereof to ADMIRAL'S authorized representative or by mailing to ADMIRAL'S authorized representative written notice stating when thereafter the cancellation shall be effective. This policy may be cancelled by ADMIRAL by mailing to the Named Insured at the address shown in this policy, written notice stating when not less than 60 days thereafter such cancellation shall be effective. The mailing of notice as aforesaid shall be sufficient proof of notice. The time of surrender or the effective date and hour of cancellation stated in the notice

shall become the end of the policy period. Delivery of such written notice either by the Named Insured or by ADMIRAL shall be equivalent to mailing.

If the Named Insured cancels, earned premium shall be computed in accordance with the customary short rate table and procedure. If ADMIRAL cancels, earned premium shall be computed pro rata. Premium adjustment may be made either at the time cancellation is effected or as soon as practicable after cancellation becomes effective, but payment or tender of unearned premium is not a condition of cancellation.

13. Declarations

By acceptance of this policy, the Named Insured agrees that the statements in the Declarations are his agreements and representations, that this policy is issued in reliance upon the truth of such representations and that this policy embodies all agreements existing between himself and ADMIRAL or any of its representatives relating to this insurance.
