

The Supreme Court of South Carolina

Roderick McRae, Petitioner,

v.

State of South Carolina, Respondent.

Appellate Case No. 2018-001615
Lower Court Case No. 2018CP3700100

ORDER

The final order in this post-conviction relief case finds that petitioner did not file a response to the conditional order of dismissal. The public case index for Charleston County reflects that petitioner filed two documents after the filing of the conditional order of dismissal on June 11, 2018: one filed on June 19, 2018, entitled "Traverse Motion to Return and Motion to Dismiss, and Traverse to Conditional Order of Dismissal and Request for Summary Judgment," and one filed on July 24, 2018, entitled "Opposition to Conditional Order of Dismissal." The State does not dispute that these documents were filed in response to the conditional order of dismissal, but indicates that it never received a copy of these documents.

The final order dated July 24, 2018, is vacated and the notice of appeal is dismissed. This matter is remanded to the circuit court to consider the responses filed by petitioner. The remittitur will be sent as provided by Rule 221 of the South Carolina Appellate Court Rules.
