

Mrs. Jenny 7/18/18

This letter is in regards to case # 2018-000920. I received an order to dismiss my appeal due to the fact I provided no proof showing I timely serve notices of appeals. However the mail room lady and OFC at K.C.I. Name L Parker inform me her K.C.I. Postal Stamp would prove I met my 10 day time period. And the copy of the debit form used to pay for it Postal Fee. Mrs L Parker the mail room OFC at K.C.I. inform me she written on the debit form in case I needed it in the future as proof. Due to the fact she couldn't do anything else. Therefore the copy of debit form I'm sending with this will prove I met my deadline for

my Appeal. I have no control over what these etc do or dont do. So will I be Allowed to move on Forward with my Appeal. An Mrs Jenn with all this lock down going on. I wish a Lawyer would be Asson to my case. They handling me from anything even the laws ~~work~~. Therefore I assure you your time concern and assistance would be forever grateful.
