

Mrs. Brenda Shealy,

i received an order from you stating my petition for writ of certiorari is denied under Johnson v. State, 294 S.C. 310, 364, S.E. 2d. 201 (1988). Can you please explain to me why my prose petition was denied after i put it in within a timely manner. The order is not clarifying in full detail after a denial. My counsel request to withdraw was granted, so i cannot rely on my prior counsel, for Appellate Case No. 2017-000891)...

thank-you

Mr. Jovan K. Mays
