ENLARGEMENT

DECLARATION

I request enlargement of time to file my initial brief in this case. I need extra time because inappropriate government interference by the incursion of pretrial freezing of my untainted assets as a criminal defendant has effected my poverty, deeming me unable to employ counsel, I am not an attorney licenced to practice law in S.C. and the lower Court has denied my requests for counsel, the issues are complex, and I have limited acces to the prison Law Library. I will need extra time under these circumstances to attempt proper framing of the legal issues in this case. With good cause shown, thirty (30) extra days is requested.

In support of my claims I declare under penalty of perjury that the foregoing is true and correct.
