v.

South Carolina Department of Health and
Environmental Control and South Carolina
State Ports Authority,..... Respondents.

MOTION FOR EXTENSION OF TIME

Respondent South Carolina Ports Authority (Ports Authority) respectfully moves the Court for an extension of time to file its response brief to the brief of the Petitioners. In support of this Motion, the Ports Authority states as follows:

1. The Court granted Petitioner’s writ of certiorari to review the opinion of the Court of Appeals in this matter on August 21, 2018.
2. Thereafter, Petitioner’s sought and were granted two (2) extensions of time to file their initial brief.
3. On October 8, 2018, Petitioners filed and served their initial brief.

4. Due to time constraints for personal and work obligations conflicting with the Ports Authority's current deadline of Wednesday, November 7, 2018, counsel for the Ports Authority respectfully requests an extension of time of thirty (30) days to file its initial response brief.
5. If the Court grants this request, Counsel for the Ports Authority calculates that its new deadline for filing its brief will be Friday, December 7, 2018.
6. This is the first request for an extension by Counsel for the Ports Authority.

Accordingly, the Ports Authority respectfully requests that this Court grant the within Motion and extend the time for it to file its initial response brief to the brief of Petitioners until Friday, December 7, 2018.

Respectfully submitted,
